NOTES:

1. Students must have 60 units to enter into the Major: BA in Social Work -- there is only one **Lower Div Requirement: STAT95**, which can be taken to also satisfy GE Area **B4 Requirement**. GE Area B4 must be completed with a C or better. If you do not get a C or better in STAT95 you will need to take the course again or take another GE Area B4 course. 2. GE Area B3 can be taken with GE Area B1 or with GE Area B2. 3. All courses that are **bold** and **italicized** must be completed with a C or better (or a CREDIT for ScWk140) in order to move forward in the program (and/or graduate). 4. *The courses with an asterisk are what we refer to as the CORE Courses which are necessary to make progress in the major. One cannot go into the year-long field placement internship (ScWk141/ScWk142) if the CORE Courses are not passed with a C or better (ScWk140: CREDIT). Thus, if students do not meet that criteria, then depending on the courses in which they are not successful, they may be restricted in the courses they are able to take in their 2nd semester in the major. This may require that they stay an entire additional year in order to repeat one or more of the Core Courses. 5. **SJSU Studies Course Suggestions: AREA-R: Anthro160; NuFS139; or NuFS163; AREA-S: Comm174; MAS130, MAS160; WomS101; AREA-V: Anth146, MAS175; MuSc117; MuSc120; AREA-Z: ScWk100W[‡]; ChAd100W; HPrf100W; Psc100W; Soc100W; SocS100W. Except for AREA-Z (the 100W course), there is no required order in which the SJSU Studies courses are taken in order to successfully complete the BA in Social Work. The BASW Program prefers students to take the AREA-Z course in the 2nd Semester of the Junior Year; and prefers students to take ScWk100W[‡] if the course is available. Take other suggested 100W courses if ScWk100W[‡] is not available.
