Medical Disability Verification Form

To Evaluator: To qualify for support services from the Accessible Education Center at San José State University, an individual must have his/her disability verified by an appropriate licensed professional. Documentation necessary to substantiate the diagnosis must be comprehensive and be based on a comprehensive diagnostic/clinical evaluation.

Please Note: The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. ‘Genetic information,” as defined by GINA, includes an individual's family medical history, the results of an individual's or family member’s genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Please note: Student medical records supplied to this office constitute "education records" under the Family Education and Privacy Act (FERPA) and as such, may be reviewed by the student upon written request.

For general questions pertaining to this form, or to obtain clarification about the information requested, please contact a AEC counselor at (408) 924-6000.
