

# Grad Slam Competition Scoring Rubric

Name of Participant:

Criteria	Excellent		Good		Poor		Score
	5	4	3	2	1		
<b>Clarity</b>	Notes:						
Was the topic and the research presented in a clear method? Did the speaker explain specific terminology and provide enough context for the audience?							
<b>Organization</b>	Notes:						
Did the presenter give clear examples of the different aspects of their research (e.g. research methods, findings, and challenges)?							
<b>Intellectual Significance</b>	Notes:						
Did the presenter convey why their research was important (e.g in their academic or professional field)?							
<b>Engagement</b>	Notes:						
Did the presenter get the audience curious about their topic? Was the presenter cautious of not over simplifying the research? Was there enthusiasm throughout the presentation?							
<b>Total Score</b>
