Associated Students, SJSU, Board of Directors’ Resolution 18/19-01
Native/Indigenous Land Acknowledgment

Whereas, It is the mission of Associated Students (A.S) of San José State University to support and represent the students of San José State University by continuing the organization’s legacy of student advocacy and leadership; to enhance SJSU students’ education through high quality programs and services; and to prepare students as they move towards a thoughtful and purposeful life after graduation; and

Whereas, San José State University has had instances of discrimination and appropriation of Native communities1; and

Whereas, Many Native American students at San José State University seek a sense of belonging within the institution and Native land acknowledgement contributes to the sense of belonging they seek; and

Whereas, San José State University’s leadership has shown a commitment to social justice2 3; and

Whereas, Land acknowledgment is a practice of opening events and gatherings4 through a “formal statement that recognizes the unique and enduring relationship that exists between Indigenous Peoples and their traditional territories”5; and

Whereas, Land acknowledgment creates broader public awareness of the history of colonization, honors Native communities, and encourages reconciliation efforts; and

Native/Indigenous Land Acknowledgment

Whereas, The enrollment headcount by ethnicity at San José State University for fall 2018 reveals that the Native student population made up 0.1 percent of the students enrolled and Native students have been classified under other racial/ethnic groups; and

Whereas, the San José State University Office of the Provost reported that the six-year graduation rate for underrepresented “minority” (URM) students, which includes Native American students, was at 44 percent in the spring of 2015 but was 17 percent lower than the rate for non-URM students; and

Whereas, The “Why Do Students Leave? A study of student departure from San Jose State University” was conducted to identify the reasons why URM students left the university; and

Whereas, 12.9 percent of the 214 students that participated in the study identified as “American Indian”; and

Whereas, Student participants in the study shared that they left San José State University with the impression that the university “did not care” and that they “didn’t belong in college”; and

Whereas, Four reoccurring themes resulted from the student surveys and focus groups, in which “feeling a connection with the campus” was one of the four themes and reasons of why a student departed from the university; and

Native/Indigenous Land Acknowledgment

Whereas, In 1980, Native American students at San José State University created the Native American Student Organization (NASO), which promotes the well-being, academic success, and community engagement of American Indian, Alaskan Native, and native students on campus9; and

Whereas, The land San José State University resides on is the territory of the Muwekma Ohlone tribe; and

Whereas, The City of San José honors the Tamien Ohlone peoples through the naming a station and park after them10; and

Whereas, Land acknowledgment aligns with the symbolic commitment of social justice at San José State University11 12 13; therefore, be it

Resolved, That a land acknowledgement statement be read during the meetings of the Associated Students Board of Directors; and further be it
