# San Jose State University, Doctor of Audiology
## Program Roadmap

### Fall (Year 1)
- **AuD 501**: Acoustics and Instrumentation (3 units)
- **AuD 502**: Anatomy and Physiology (3 units)
- **AuD 503**: Psychoacoustics (3 units)
- **AuD 504**: Audiological Assessment I (3 units)
- **AuD 505a**: Professional Issues I (3 units)

### Spring (Year 1)
- **AuD 506**: Anatomy and Physiology CANS (3 units)
- **AuD 507**: Hearing Aids I (3 units)
- **AuD 508**: Audiological Assessment II (3 units)
- **AuD 509**: Practicum in Audiology (3 units)
- **AuD 511**: Pediatric Audiology (3 units)

### Summer (Year 1)
- **AuD 510a**: Clinical Rotation in Audiology I (3 units)
- **AuD 521**: Medical Audiology (3 units)
- **AuD 505b**: Professional Issues II (3 units)

A Qualifying Examination is required to matriculate into Year 2.

### Fall (Year 2)
- **AuD 510b**: Clinical Rotation in Audiology II (3 units)
- **AuD 513**: GWAR (3 units) Research Methods
- **AuD 514**: Audiological Assessment III (3 units)
- **AuD 515**: Hearing Aids II (3 units)
- **AuD 516**: Adult Auditory Rehabilitation (3 units)

### Spring (Year 2)
- **AuD 512**: Pediatric Auditory Habilitation (3 units)
- **AuD 518**: Hearing Conservation (3 units)
- **AuD 519**: Hearing Aids III (3 units)
- **AuD 598**: Research Project (2 units)
- **AuD 510c**: Clinical Rotation in Audiology III (3 units)

### Summer (Year 2)
- **AuD 517**: Audiological Assessment IV (3 units)
- **AuD 522**: Tinnitus (2 units)
- **AuD 523**: Pharmacology (1 unit)
- **AuD 598**: Research Project (2 units)
- **AuD 510d**: Clinical Rotation in Audiology IV (3 units)

Written Comprehensive Examination is required to matriculate into Year 3.

### Fall (Year 3)
- **AuD 510e**: Clinical Rotation in Audiology V (3 units)
- **AuD 524**: Speech Perception & Language Development (3 units)
- **AuD 505c**: Professional Issues III (3 units)
- **AuD 598**: Research Project (2 units)

### Spring (Year 3)
- **AuD 505d**: Professional Issues IV (2 units)
- **AuD 525**: Genetics (1 unit)
- **AuD 598**: Research Project (2 units)
- **AuD 510f**: Clinical Rotation in Audiology VI (3 units)

### Summer (Year 3)
- **AuD 505e**: Professional Issues V (3 units)
- **AuD 526a**: Clinical Externship in Audiology I (3 units)

Oral comprehensive examination is required to matriculate into Year 4. Completion and defense of doctoral research project.

### Fall (Year 4)
- **AuD 526b**: Clinical Externship in Audiology II (3 units)

### Spring (Year 4)
- **AuD 526c**: Clinical Externship in Audiology III (3 units)

Total Units: 110
