Dear Enrolled Summer 2010 Students;

Several CSU campuses, including SJSU, found it necessary to modify the way summer classes are funded in Summer 2010. At the time the SJSU Summer 2010 fee schedule was posted, the CSU advised SJSU that it could not charge a pro-rated fee for Associated Students under this self-support funding plan.

However, after a careful reassessment of the Education Code, the CSU has determined charging a pro-rated fee is authorized. We regret that the assessment and decision could not be made earlier.

Please be advised that this is not a new fee and has been consistently assessed in years past. The Summer Fee of \$49.00, is a proportion of the Student Activity Fee (\$73.50) that you pay during the academic year each semester.

Consequently you will be assessed a \$49.00 fee for summer 2010, payable to the University and due according to the Bursar's Office.

Associated Students looks forward to continuing to provide you with the following programs and services:

- VTA Eco Pass & Transportation Solutions
- Print Shop services
- Computer Services Center
- Events and Activities
- A Student Government Voice on Campus
- Spartan Squad
- Child Development Center
- Cesar Chavez Community Action Center
- Intramurals, Fitness & Wellness Activities
- Adventure Programming
- And more...

Thank you for your understanding. Please feel free to contact me if you have any questions.

Sincerely,

Tomasz Kolodziejak
A.S. President & CEO
