SAN JOSÉ STATE UNIVERSITY

Student Account Online

The CSU makes every effort to keep student costs to a minimum. Tuition and fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, the CSU must reserve the right, even after initial tuition and fee payments are made, to increase or modify any listed tuition or fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed tuition and fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

On-campus housing students only: you can make your Initial Housing Payment by clicking the link below. This is a one-time payment that is due with each new housing license contract.
