The Department of Communicative Disorders and Sciences welcomes you to apply to our graduate program. Our department only accepts applications for Fall admission.

In order for your application to be reviewed, please follow the steps **EXACTLY** as listed below. Take time to carefully read the instructions. For additional answers to your questions, please see the [FAQ Page](#).

NOTE: Before you apply to our program, please make sure that your overall GPA from your previous educational experiences is at least 3.0 or higher. All applicants who have below a 3.0 GPA (even if your GPA is 2.999) will be automatically denied.

MA APPLICANTS:

There are four components to the application process and **ALL** must be completed in order for your application materials to be reviewed by the admission's committee.

COMPONENT 1: UNIVERSITY REQUIREMENTS via CSU MENTOR

This step is required to create a San José State University record of your application to the program. If you are not entered into the university database, your [CSDCAS](#) application from "Component 3" will not be eligible for review.

To apply to San José State University via CSUMentor:

- a) Click on the following link: [CSUMentor](#)
- b) Select that you want to apply to San José State University. You will be taken to a page that asks for the following information:
 - o **Term Applying For:** Select: Fall 2017
 - o **Major Program Objective:** Select: Education-Speech Pathology
 - o **Degree Objective:** Select: M.A.
 - o **Educational Credential Objective:** Select: Not Interested in a Credential Program
- c) You **must** provide a statement of purpose. **NOTE:** The statement of purpose may be brief and is designed to express your intentions and goals for graduate education. This is different than the essay you are required to submit on [CSDCAS](#) (see section below on essay submission).

NOTE: The CSU Mentor Application system will be available starting October 1st. We recommend that you initiate your CSU Mentor application as early as possible so that you submit all documents by the February 1, 2017 deadline.

COMPONENT 2: UNIVERSITY REQUIREMENTS via SJSU Graduate Applications & Program Evaluation

1. You **must** submit an official transcript to SJSU's Office of Graduate Applications and Program Evaluation ([GAPE](#)), for every college, university, or community college that you have previously attended (even if you took only one course or a college course while still in high school). Please make sure you leave enough time to allow your previous universities' transcripts to get to SJSU weeks before the deadline. As long as your CSUMentor application is submitted online by **February 1, 2017**, GAPE will accept receipt of transcripts up until 5PM EST, February 1, 2017. If they do not receive your transcripts by 2/1/2017, your application will automatically become inactive with no further consideration or extension granted.

NOTE: The CSU Mentor/GAPE site may indicate that documents will be accepted until February 21, 2017. Please disregard this, it is a general University deadline and does not apply to CDS.

COMPONENT 3: DEPARTMENT REQUIREMENTS via CSDCAS

The Department of Communicative Disorders and Sciences participates in the Communication Sciences and Disorders Centralized Application System ([CSDCAS](#)). [CSDCAS](#) was created to provide applicants an opportunity to submit their materials electronically.

To access the [CSDCAS](#) Portal, please use the following link: <https://csdcas.liaisoncas.com/applicant-ux/#/login>

The CSDCAS Deadline is February 1, 2017 at 5pm EST.

If you do not submit your online application to [CSDCAS](#) by the **February 1, 2017 deadline**, the admissions committee will not review your application and you will not be eligible for admission, even if you have already submitted the [CSUMentor](#) application on time. Please note that it is your responsibility as a prospective student to ensure that all your materials are submitted to CSDCAS on time. In order to avoid the risk of not having your application reviewed, please do not wait until the final hour to submit your online application for CSDCAS.

You must ensure that the following materials are received by [CSDCAS](#) by **February 1, 2017**:

- a) Official transcripts
- b) Essay
