

INSTRUCTIONS FOR APPLYING TO THE MASTER'S DEGREE PROGRAM

The Department of Communicative Disorders and Sciences welcomes you to apply to our Master of Science in Speech-Language Pathology program! We only accept applications for Fall admission.

Before you apply to our program, please make sure that your cumulative GPA from your BA/BS degree is at least 3.00. We cannot guarantee that we will review applications with a GPA below 3.00. [International applicants should click here.](#)

ALL THREE components of the application process must be completed for your application materials to be reviewed by the admissions committee.

Deadline: February 1, 2024

All application materials must be submitted and received by this deadline. We advise getting started early because some materials may take time to be processed or sent physically.

COMPONENT 1: CAL STATE APPLY

This step is required to create a San José State University record of your application to the program. If you are not entered into the Cal State University database, your CSDCAS application (see "Component 2") will not be eligible for review.

Instructions

- a) Go to calstate.edu/apply
- b) Select that you want to apply to San José State University and indicate the following information:
 - o **Term applying for:** Fall 2024
 - o **Major Program Objective:** Speech Language Pathology, MS
 - o **Degree Objective:** M.S.
 - o **Educational Credential Objective:** Not Interested in a Credential Program
 - o **Statement of Purpose:** Type in "Please see CSDCAS application for the personal essay."
- c) For any questions about the university application (Cal State Apply), please contact grad-admissions@sjsu.edu or call 408-283-7500 (prompt 2)

NOTE: The CAL State Apply system is live now. We recommend that you initiate your application as early as possible so that you can submit all documents by the deadline.

COMPONENT 2: TRANSCRIPT SUBMISSION

You must submit an official transcript from every college, university, or community college that you have previously attended – even if you only took one course, or took a college course while in high school – to SJSU’s Office of Graduate Applications and Program Evaluation (GAPE; <http://www.sjsu.edu/graduateadmissions/>).

Instructions for DOMESTIC applicants:

Instructions for INTERNATIONAL applicants:

<http://www.sjsu.edu/graduateadmissions/want-to-apply/international-steps-to-admission/>

Please make sure you leave enough time for your transcripts to get to SJSU weeks before the deadline. Your previous college/universities’ transcripts websites should have that information. If GAPE does not receive your transcripts by **February 1, 2024**, your application will automatically become inactive with no further consideration or extension granted.

The Cal State Apply or GAPE website may indicate that documents or transcripts can be accepted until February 21st. Please disregard this. That is a general University deadline and does NOT apply to our program.
