## **Other technology requirements / equipment / material**

Various materials will need to be obtained and/or created to meet the needs of your client. It is highly encouraged that you borrow from the clinic or peers before purchasing your own to ensure that it will be useful. It is not necessary to purchase expensive therapy materials. Many toys for typically developing children and items used for activities of daily living are as effective as marketed “therapy materials.” If you plan to borrow materials from the clinic, be sure to arrive with plenty of time to make adjustments in case the intended materials are not available. Your materials must be ready and available at the start of class.

## **Course Requirements and Assignments**

SJSU classes are designed such that in order to be successful, it is expected that students will spend a minimum of forty-five hours for each unit of credit (normally three hours per unit per week), including preparing for class, participating in course activities, completing assignments, and so on. 4. Client Confidentiality: Students will be considered members of the clinic workforce under regulations established by the Health Insurance Portability and Accountability Act (HIPAA). Students will receive instruction in following HIPAA policies and will be required to adhere to these policies. As a teaching clinic, KACCD has further guidelines.   - d. Please log all absences in the client file.

- e. Planned time off by the student clinician is not permitted aside from religious holidays. Do not plan to be absent on clinic days or it will result in termination from the course per the Clinic Handbook based on unethical behavior.
7. Egnyte will be utilized to turn in final drafts of Initial Therapy Report, Lesson Plans, SOAPs, and Final Therapy Reports. Egnyte can be accessed at <https://mmccollum.egnyte.com>. You will be provided a login and password by the department. Place all final documents in your client's folder when approved by your supervisor. Do not share your password provided by the department.
