

SAN JOSÉ STATE UNIVERSITY

DEPARTMENT OF COMMUNICATIVE DISORDERS & SCIENCES

**EDSP 277, Advanced Practicum-Speech Pathology, Section 01, Spring Semester, 2018**

**Course and Contact Information**

**Instructor:** Anita Schaack MS CCC

**Office Location:** SH 438

**Telephone:** 408-924-3665

**Email:** [anita.schaack@sjsu.edu](mailto:anita.schaack@sjsu.edu) (preferred contact)

**Office Hours:** Monday 9:00-11:00 or by appointment

**Class Days/Time:** Monday 1:00PM – 3:50 PM

**Classroom:** SH 447

**Course Format:** This course is a clinical in which you evaluate and treat clients with communicative disorders. You must have a computer with access to word processing and email in order to successfully participate in this course.

**Course Description:** Working with children, adult, and group clients within a clinical practicum setting including preparing lesson plans, analyzing assessment results, developing and implementing therapy activities, collecting data, conducting client conferences and writing reports and home programs.

Supervised clinical experience with adults with complex speech and language disorders, leading to independence in administering assessment and therapeutic services.

**Course Learning Outcomes**

Upon successful completion of this course, students will be able to:

1. CLO 1: Complete therapy tasks including administering informal and formal trials and tasks to establish baseline goals, analyzing assessment results and developing appropriate therapy goals and objectives using evidence based practice, providing therapy, and collecting data during therapy.  
(ASHA Standards IV-B; IV-C, IV-D, IV-E, IV-F observation)
2. CLO 2: Complete documentation including weekly lesson plans, daily therapy notes, self-evaluations, initial/final therapy reports, observation reports, and home programs, and report forms (ASHA Standards IV-C; IV-D, V-A written reports, soap notes, self reflections)
3. CLO 3: Work as part of a professional team by listening to the ideas of others, asking appropriate questions and sharing ideas and information, following clinic procedures for

sharing materials and equipment, and demonstrating the ability to seek information and guidance from peers and the supervisor. (ASHA Standards IV-C, IV-D, IV-E; peer reviews, observations, case presentations)

4. CLO 4: Make appropriate recommendations for treatment and services based on knowledge of various disabilities and the needs of various ages of clients. ((ASHA Standard V-B; written Reports)

5. CLO 5: Demonstrate an understanding of, and sensitivity to, multicultural issues when making decisions regarding speech-language diagnosis and treatment in a diverse setting. (ASHA Standard V-B; Reports and observation)

6. CLO 6: Conduct therapy by establishing and maintaining positive clinician/client interactions, using therapeutic techniques and materials appropriate to the objectives, selecting and using therapy materials, instructional strategies and reinforcements that are motivating and stimulating to the client and align with the disorder, writing lesson plans that reflect the actual therapy plan (ASHA Standard IV-C, IV-D, IV-E; observation and reports)

<http://libguides.sjsu.edu/communicationdisorders>

### **Course Requirements:**

SJSU classes are designed such that in order to be successful, it is expected that students will spend a minimum of forty-five hours for each unit of credit (normally three hours per unit per week), including preparing for class, participating in course activities, completing assignments, and so on. More details about student workload can be found in [University Policy S12-3](#) at <http://www.sjsu.edu/senate/docs/S12-3.pdf>.

### **Student clinician will:**

- Evaluate and treat assigned clients.
- Submit lesson plans for each session. **Lesson plans are due Thursday by 9AM for the next weeks sessions.**
- Develop and submit semester goals (see schedule for due date).
- Write and submit soap notes for each session and complete comprehensive semester reports. **Soap notes are due by 10:00 PM the day of the corresponding treatment session.**
- Complete 2 self-reflections (see schedule for due dates).
- Complete one non-clinic activity with their client.
- Present their clients' case to the class (see schedule for dates).
- Provide peers feedback on sessions observed and on progress reports.
- Attend and participate in scheduled seminars.
- Join your supervisor for observation during that hour if your client is absent
- Participate in switch days, to be detailed by instructor.
- Dress in professional attire.
- Please refer to your all-clinic meeting notes for policies and procedures regarding student clinician absences.
- Refer to your all-clinic meeting notes for policies and procedures regarding filing reports.

### **Grading Policy**

- Successful completion of all objectives in the Student Clinician Evaluation on Calipso. To view a sample rubric see: <https://www.calipsoclient.com/sjsu/account/login>

1. From the Home/Lobby page of Calipso, select 'Student Information'
2. Select 'Clinical Placement'
3. In the "Instructions for Students" folder, you can access a blank Practicum Rubric aka Performance Evaluation

### **Determination of Grades will be based on the following criteria:**

#### **Lesson Plans - based upon:**

Selection of appropriate objectives  
Objective stated in measurable terms  
Procedures and materials appropriate for attaining stated objectives  
Establishing appropriate criterion  
Promptness in submitting lesson plans

#### **Observations - based upon:**

Ability to perform in a professional manner  
Ability to open and close sessions  
Ability to use therapy materials effectively  
Ability to effectively utilize allotted time  
Ability to use behavior controls during therapy sessions  
Ability to apply theoretical knowledge to individual client's needs  
Ability to motivate client  
Overall attitude  
Personal characteristics such as professionalism, timeliness, honesty, communication skills, willingness to take input, willingness to work as a team, ability to work well with fellow colleagues, being proactive.

Ability to collect data  
Ability to summarize clearly and concisely in written progress summaries  
Rapport with client  
Case Presentation  
Self Reflection  
Timely submission of the assignments as applicable  
Breaches of confidentiality will be considered grounds for failure of the clinic, regardless of merit.

### **Classroom Protocol**

- In consideration of others in the class please arrive to class on time and make sure your cell phones are turned off or are on silent mode.
- You are responsible for obtaining copies of any class notes or handouts that were presented and distributed on a day you were absent.
- Read and use your green sheet.
- Be prepared and ready to answer questions during any given class
- Participate in class discussions by making comments, answering and asking questions
- Function as a good classroom citizen by respecting other opinions and being an active listener
- Communicate with me about concerns as they arise

### **University policies**

Per University Policy S16-9, university-wide policy information relevant to all courses, such as academic integrity, accommodations, etc. will be available on Office of Graduate and Undergraduate Programs' [Syllabus Information web page](http://www.sjsu.edu/gup/syllabusinfo/) at <http://www.sjsu.edu/gup/syllabusinfo/>"
