

Is the “American Dream” an illusion?
Is there a “Global Dream”? Can we sustain
ourselves?

What is the Next Economy and America’s Future?
How do we solve social / global problems?

American Dream Challenges:

Sustainability in a Changing World

SOCI 120: Contemporary Issues (# 47823)

Tuesday and Thursday 4:30pm at BBC002

- Challenges to become socially, globally conscious
- Engage in various real community projects
- Housing, Finances, Socio-Economics, Community Relations
- Adjunct to business, economics, and urban planning
