# Anti-Racism Education Resource List

---

This collated list provides articles, books, videos, podcasts and websites that will help faculty grow personally and professionally as anti-racists. Anti-racism work requires sustained study and proactively engaging in opportunities to challenge racial positions. This list is intended to support faculty critical consciousness development and provide resources to support anti-racist teaching. Note: This list is not exhaustive.

Improving your teaching practice as a faculty member is crucial to undergraduate student retention and success. We encourage you to use this resource guide coupled with other resources to support your development and growth.
