

Instructions

Do not hand write - Must be typed

Signatures from all committee members must be present when your thesis is submitted to the Office of Graduate Studies for review. Graduate Studies will accept either electronic or hand-written signatures as long as all signatures appear together on the same form. This form must be included with the Thesis Information Packet. The SJSU Master's Thesis and Doctoral Dissertation Guidelines, including detailed thesis submission instructions, are available on the Graduate Studies website sjsu.edu/cgs/current students.

Committee members and students are required to be familiar with University policy S14-10.

Students must defend their work prior to obtaining committee signatures.
