

ENTERPRISE CYBERSECURITY LEADERSHIP

ARE YOU DOING EVERYTHING YOU CAN TO DEVELOP YOUR RISING SECURITY LEADERS?

Your organization's emerging security leaders deserve to learn from the brightest minds in the industry, and you deserve to see a return on your investment. SJSU's Lucas College of Business Center for Organizational Resilience (COR) has partnered with the Professional Development Academy from Evanta, a CEB Company, to offer Enterprise Cybersecurity Leadership, a world-class leadership development program that transfers proven expertise from the C-suite to the frontline.

Maximize employee potential to gain a competitive edge.

RESPECTED. COMPELLING. INTEGRATED.

EXPERT INTERACTION

Current CISOs join participants for live discussions each week, so your leaders can learn exactly what it takes to succeed.

RELEVANT CURRICULUM

A three-day simulation gives your security team the chance to apply lessons, as they respond to a lifelike breach.

FLEXIBLE LEARNING

Participants learn when and where it's convenient for their demanding schedules.

YOU'RE IN GOOD COMPANY

Some of the largest companies in the world believe in the Professional Development Academy. More than 80 organizations are already benefiting from developing their security leaders.

WHAT ALUMNI AND SUPERVISORS ARE SAYING

OVERALL SATISFACTION

“The learnings are tremendous and the way of providing the content is very appropriate for a leader who has to take care of their job in parallel to further developing themselves.”

Dennis Boecker
VP IT Americas
Robert Bosch LLC

“Every part of the simulated attack could happen in the real world which made this feel like practice, not theory.”

Mike Lewis
Senior Director, IT Infrastructure Operations
Global Knowledge

“The course is really great. A lot of topics are what I deal with on a daily basis, so it is great to know what others are doing, and they bring a lot of new ideas.”
