

## Speaker bio:

### [Janice Le](#)

#### **General Manager, Microsoft Security**

Janice is GM at Microsoft Security where she oversees business strategy, operations, and portfolio marketing for Microsoft's cybersecurity business. She has served the tech industry in Silicon Valley over the last 25+ years at enterprises and startups in product, marketing, and GM roles for B2B tech companies with depth in networking and cybersecurity. Prior to joining Microsoft, Janice was SVP, Product Management at Avalara, SVP, Global Marketing at Palo Alto Networks and was Chief Marketing Officer at HP Enterprise/Aruba. She also served as General Manager for Cisco's Emerging Technologies business unit, and was Chief Product officer and VP of Products & Engineering for Silicon Valley startups.

Janice holds a M.S. in Telecommunications Management from Golden Gate University and a B.S. in Business Admin/Marketing from SJSU and has geeked out on lots of technical certifications including AI, data & analytics, networking, security, and wireless. Janice also serves on the board of CALICO, a child abuse listening, interviewing, and coordination center for Alameda county that helps ~1,000 kids per year find justice and healing. CALICO also enables dozens of child advocacy centers throughout California to serve victims of abuse in similar ways.

## **Moderator:**

**[Rangapriya Kannan](#)**

**Dean, Lucas College and Graduate School of Business**

Rangapriya (Priya) Kannan is the dean of the Lucas College and Graduate School of Business and a professor in the School of Global Innovation & Leadership. Her research primarily focuses on how individuals achieve innovation within limited resources using creative resourcing and reframing. Kannan's background includes expertise in leadership to affect strategic change, designing interdisciplinary programs, employee development, alumni and community outreach, and creating inclusive work environments. Her educational background includes a PhD from UCLA Anderson School of Management and degrees from SJSU, Tata Institute of Social Sciences, and the University of Bombay.
