I request that the Communication Studies Graduate Committee constitute an examination committee for me as indicated here. I will be following Plan B1: 38 units of coursework plus a comprehensive examination that includes both written and oral components.

1. Please describe examination area one (communication theory):

2. Please describe examination area two (research methods):

3. Please describe examination area three (area of specialization):

4. Please append to this form a list of all coursework (briefly explain any Comm 280 independent study units), including grades, instructors and when courses were taken.

5. Committee Member Approval

I find this student's proposed thesis research to be a promising and appropriate direction in communication studies research, consistent with departmental expectations and past practices for thesis development. I am willing to serve as a member of this student's advisory committee.
