Commencement

#1 MOST TRANSFORMATIVE UNIVERSITY —*Money magazine*

As you reflect upon your time at San José State University, do you recall a moment or semester where it all clicked? Was there an experience that helped lay the foundation for what's next? Did a particular professor, staff member, administrator or friend provide mentorship that you will always remember?

Tell us your story at
sjsu.edu/transform

THE ACADEMIC REGALIA

Commencement exercises date back to the Middle Ages and the traditions of Europe's first universities. Graduates and members of the platform party wear regalia — robes, hoods and caps — that are likely adapted from the clothing of medieval priests or friars. Gowns for each degree differ:

- Bachelor's gowns have a closed front and long, pointed sleeves.
- Master's gowns may be worn open and have long sleeves with slits above the elbow.
- Doctoral gowns have velvet panels down the front and three velvet bars on each of the bell-shaped sleeves. The color of the velvet may indicate the academic discipline.

Draped over the shoulders, the hood evolved from a priest's cowl and was often used to carry items — the first backpack, perhaps. The lining colors signify the college or university granting the degree. At San José State, the hood is gold, blue and white.

The monk's skullcap became the mortarboard cap or tam. Black is the accepted cap color in the United States, but many foreign universities have colorful headdresses. Tassels vary in use and color. Bachelor's degree candidates wear tassels in colors that represent their colleges.

Tassel Colors:

Business.....	Sapphire Blue
Education	Light Blue
Engineering.....	Orange
Health and Human Sciences.....	Olive Green
Humanities and the Arts.....	White
Science	Gold
Social Sciences	Cream

COLLEGE OF PROFESSIONAL AND GLOBAL EDUCATION

Increase Your Professional Influence

Dear San José State graduate,

We applaud your achievements and celebrate this important moment in your life. As you transition to your future career, we invite you to explore how SJSU's College of Professional and Global Education (CPGE) can enhance your value within your field.

CPGE is devoted to providing students with the tools needed for academic and professional growth. We offer flexible, online master's-level programs to further focus your career goals and build upon the knowledge you've gained thus far at San José State.

You'll have the opportunity to take advantage of SJSU's industry-aligned, cutting-edge educational opportunities in one of the most innovative and dynamic places in the world. Best of all, you can work at your own pace — and schedule courses at your convenience.

In today's competitive job market, a graduate degree can be a game-changer for your earning potential. There is no time like the present to develop in-depth expertise and hands-on experience to expand your options.

Having an advanced degree also significantly increases your chances of getting hired and, often, raises your starting salary.

Visit sjsu.edu/professional to learn more about our professional education programs.

In the words of Socrates, "Education is the kindling of a flame, not the filling of a vessel." In your quest for excellence, you have lit the flame that you will carry with you throughout your life. As an SJSU Spartan, your flame is now stoked by more than 160 years of academic distinction from those who have gone before you. Let us help you shine as bright as your fullest potential.

Congratulations,

Ruth Huard, PhD
Dean, College of Professional and Global Education

2021 FALL SENIOR GIFT

Celebrating Today and Investing in Tomorrow

San José State University graduating seniors and master's candidates have the opportunity to leave a legacy for those who follow. The Senior Gift program enables these new alumni to celebrate their own hard work and success by investing in the future of their alma mater.

The Senior Gift directly impacts the student body. Donors voted to augment one of three valuable programs: SJSU Student Crisis Support Fund, the Educational Opportunity Program (EOP) or the Spartan Food Pantry. And the winner is: the SJSU Student Crisis Support Fund!

The SJSU Student Crisis Support Fund assists students involved in tragic events or crisis situations, such as the COVID-19 pandemic. Whatever the need, this fund can help with tuition, temporary housing, groceries, replacement of clothing and household basics, unexpected medical needs and other essentials.

Along with graduating students and master's candidates, many generous parents, friends and faculty and staff members also supported the campaign. Their gifts help San José State continue its long tradition of serving the community and enriching the lives and futures of students through a quality educational experience.

To contribute to the Senior Gift campaign, please contact Carolyn Canete at 408-924-1782 or carolyn.canete@sjsu.edu.

You may also give securely online at giving.sjsu.edu/seniorgift.

THANK YOU, CLASS OF 2021, FOR YOUR GENEROSITY!

Welcome, graduates, to the San José State alumni family.
Congratulations on your impressive work and accomplishments!

HAIL, SPARTANS, HAIL!

Gerald Erwin | Class of 1933

1. Hail, Spar-tans, Hail! — Hail, Gold, Blue and White! —
2. Hail, Spar-tans, Hail! — All hail to thee! —

We pledge our hearts and hands to keep thy col - ors ev - er bright.
Hail to thy clois-ter'd halls and Tow-er stand-ing straight and free.

For - ward we go! We will not fail!
Thy Gold, Blue and White! Long may they sail!

Sing to our Al - ma Ma - ter, Hail! Hail! Hail!
To thee we sing for - ev - er, Hail! Hail! Hail!

San José State Normal College sophomore Gerald Erwin penned the lyrics for "Hail, Spartans, Hail!" The music major was a proud member of the Spartan Glee Club.
