THE ACADEMIC REGALIA

Commencement exercises date back to the Middle Ages and the traditions of Europe's first universities. Graduates and members of the platform party wear regalia — robes, hoods and caps — that are likely adapted from the clothing of medieval priests or friars. Gowns for each degree differ:

- Bachelor's gowns have a closed front and long, pointed sleeves.
- Master's gowns may be worn open and have long sleeves with slits above the elbow.
- Doctoral gowns have velvet panels down the front and three velvet bars on each of the bell-shaped sleeves. The color of the velvet may indicate the academic discipline.

Draped over the shoulders, the hood evolved from a priest's cowl and was often used to carry items — the first backpack, perhaps. The lining colors signify the college or university granting the degree. At San José State, the hood is gold, blue and white.

The monk's skullcap became the mortarboard cap or tam. Black is the accepted cap color in the United States, but many foreign universities have colorful headdresses. Tassels vary in use and color. Bachelor's degree candidates wear tassels in colors that represent their colleges.

COLLEGE OF PROFESSIONAL AND GLOBAL EDUCATION

Increase Your Professional Influence

Dear San José State graduate,

We applaud your achievements and celebrate this important moment in your life. As you transition to your future career, we invite you to explore how SJSU's College of Professional and Global Education (CPGE) can advance your academic and professional journey.

CPGE is devoted to providing students with the tools and experiences needed for professional growth. We offer flexible, online master's-level programs to further accelerate your career goals and build upon the knowledge you've gained thus far at San José State.

You'll have the opportunity to take advantage of SJSU's industry-aligned, cutting-edge educational opportunities in one of the world's most innovative and dynamic places. Best of all, you can work at your own pace — and schedule courses at your convenience.

A graduate degree can be a game-changer for your earning potential in today's competitive job market. There is no time like the present to develop in-depth expertise and hands-on experience to expand your options. Having an advanced degree also significantly increases your chances of getting hired and, often, raises your starting salary.

Visit sjsu.edu/professional to learn more about our professional education programs.

In the words of Socrates, "Education is the kindling of a flame, not the filling of a vessel." In your quest for excellence, you have lit the flame that you will carry with you throughout your life. As a Spartan, your flame is now stoked by more than 160 years of academic distinction from those who have gone before you. Let us help you shine as bright as your fullest potential.

Congratulations,

Namrata Shukla
Interim Dean, College of Professional and
Global Education

2022 FALL SENIOR GIFT

Celebrating Today and Investing in Tomorrow

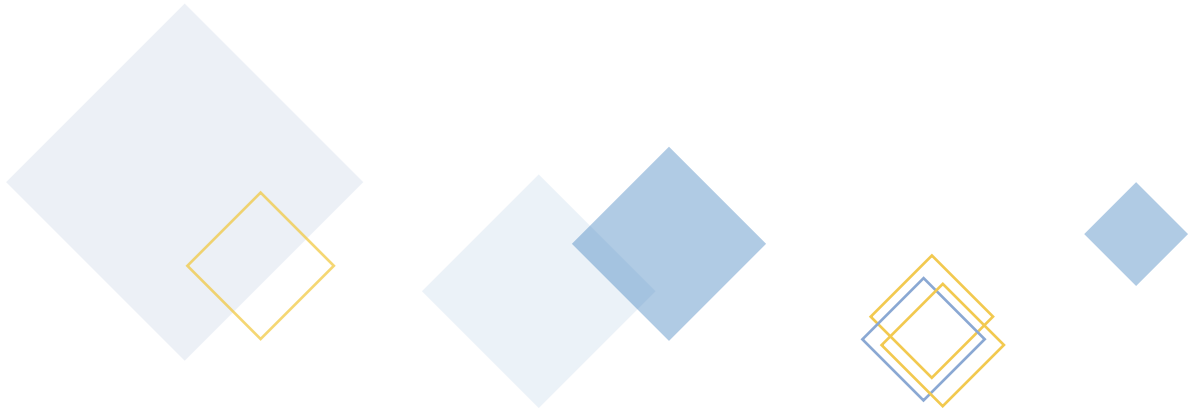

San José State University graduating seniors and master's candidates have the opportunity to leave a legacy for those who follow. The Senior Gift program enables these new alumni to celebrate their own hard work and success by investing in the future of their alma mater.

The Senior Gift directly impacts the student body. Donors voted to augment one of three valuable programs: The SJSU Student Crisis Support Fund, the Educational Opportunity Program (EOP) or the Spartan Food Pantry. And the winner is: the SJSU Student Crisis Support Fund!

The SJSU Student Crisis Support Fund assists students involved in tragic events or crisis situations, such as the COVID-19 pandemic. Whatever the need, this fund can help with tuition, temporary housing, groceries, replacement of clothing and household basics, unexpected medical needs and other essentials.

Along with graduating students and master's candidates, many generous parents, friends, faculty and staff members also supported the campaign. Their gifts help San José State continue its long tradition of serving the community and enriching the lives and futures of students through a quality educational experience.

To contribute to the Senior Gift campaign, please contact Jen Jurgensen at 408-924-1782 or jen.jurgensen@sjsu.edu. You may also give securely online at go.sjsu.edu/seniorgift.

THANK YOU, CLASS OF 2022, FOR YOUR GENEROSITY!

Welcome, graduates, to the San José State alumni family.
Congratulations on your impressive work and accomplishments!
