

CS 297

Preparation for Writing Project or Thesis

Student Name _____

ID# _____

Semester _____

Email: _____

Units: 3

Advisor: _____ Advisor's email: _____

TITLE: _____

DEADLINES: Fall/Spring semesters must be filed within one week following the first day of classes.

Electronically submit a 1-2 page proposal listing:

1. Your name and email address along with the name, email address of your advisor.
2. A brief abstract of your project topic.
3. A list of 297 deliverables.
4. A schedule.
5. A list of literature references.

Attach copy of your candidacy form.

IMPORTANT REQUIREMENTS

The Thesis or Writing Project committee is to be formed early in the semester and should be consulted about the final selection of topic for the Thesis or Writing Project as the choices are narrowed.

In order to receive credit for this course, a complete proposal for the final writing project or thesis must be submitted to the named committee and the instructor shall attach a copy when submitting the final grade. The appropriate graduate curriculum committee must also approve the topic before the final Thesis or Writing Project is begun.

APPROVED:

Graduate Coordinator
