Questions? Please email
a.wong@sjsu.edu or call 408-924-1144.

CyberAware Day is a unique event hosted in partnership between UC Merced and San José State University to raise awareness around the cyber security sector and related opportunities for students of all backgrounds

Join an awesome line-up of speakers and industry experts who know first-hand that everybody belongs in security and hear their stories of how they found their way into cyber security. You'll have an opportunity to also interact directly with like-minded companies who know the value of diversity

Panelists

Mitchel Chang, VP CSR & Education, TrendMicro
Limor Elbaz, CEO, Peerlyst
Manju Mude, Head of Security Engagement, Oath
Hemanth Srinivasan, Head of Application Security, Autodesk
Sumin Lee, Oportun (Moderator)
