

PCD Meeting Minutes, 5/4/15

In Attendance: Zain Ahmed, Hyon Chu Yi Baker, Renee Barnett Terry, Debra Griffith, Francis Howard, Fernanda Perdomo Karp, Lydia Ortega, Itza Sanchez, Michael Randle, Julie Paissant, and Meg Virick

De-brief on Open Forum

- Community Input
 - Impressed with amount of work done on campus
 - Feedback was that we should have more opportunities for input and more students participating
- Feedback that the audience felt some answered questions defensively
 - We needed more empathy and acknowledgement of importance of issues.
- Most of the questions were not related to the action items so it had a bigger scope beyond on an update of the action items.
 - This was a good way of countering the feedback from last time that there was not enough questions.
 - If people were invited to answer questions on action items, then having them answer broader questions at an open forum on diversity was not appropriate.
 - The questions showed a need for more forums and types of events like this that can allow for more dialog.
- People liked the slides. They needed to scroll slower.
- The time of the semester, location, and time in the day may have been what limited student participation.
- There were a number of good conversations outside with the signs. The difficulty was the mix of the intimate conversations with the food and music.
- The ground rules from the moderator could have been more extensive.

Award Nominations

- We will recognize each award nominee with a certificate. Student Affairs will send Stacy a template.
- We selected the 4 Arthur Dunklin Award winners.
- Update on Luncheon
 - Pitch Please will be performing (sing for about 5 minutes)
 - We will have a special recognition of Dr. Halualani and Dr. Murray.
 - The President will present the Assemblymember Low recognitions.

- We will present the Arthur Dunklin awards. We have invited past presenters talk to help co-present the awards. The past awardees (who want to) will talk about what it has meant to receive the award and the work they have been doing.
 - We are creating a perpetual plaque. Veronica is looking into that.
- Stacy will send out notification to award winners that were selected and weren't selected.
