

# San José State University Early Start Program Course Enrollment Guide

This guide will show you how to enroll in Early Start Program courses through your MySJSU student portal.

1. Navigate to [one.sjsu.edu](http://one.sjsu.edu), sign in using your SJSU ID and password, and click the MySJSU tile to enter your student portal.

If you can't find the MySJSU tile, search for it in the "What would you like to do?" search bar at the top of the page.

2. In the Academics section of your Student Center, click on the **Early Start Program** link.

Oh, and don't forget to come back later and check your new messages. You have *eleven* of them, and there is probably something important in there!

3. This is your Early Start Program Page, which explains your Early Start recommendation or requirement. You will also use this page to tell SJSU where you plan to participate in Early Start.

If you will be in the San Jose area over the summer, we *strongly* recommend that you choose SJSU as your campus.

Following the SJSU course sequence is especially important for students in calculus-based majors.

Note the fee waiver information at the bottom of the page.

After choosing your Early Start campus, click **Confirm Early Start Selection(s)**.

4. Read through your selections and confirm that you are not making a terrible mistake. If everything looks right, click **Confirm Early Start Selection(s)**.

5. You will now be taken back to the Early Start Program Page. If you selected a campus other than SJSU, wait for that campus to contact you with enrollment instructions. If you selected SJSU, click **Enroll in Early Start Program**.

The Early Start Program is intended to give incoming freshmen the opportunity to enroll in Written Communication and/or Mathematics/Quantitative Reasoning classes, with instructional support, prior to the term for which they have been admitted. The information below provides additional information about your participation in the Early Start Program.

[Click here for a menu of Early Start courses offered at every CSU campus.](#)

### Written Communication

Home Written Communication CAT II (30025, 501): You are not required to participate in the Early Start Program in Written Communication.

### Mathematics/Quantitative Reasoning

Home Math/QR Cat III Non-STEM (30025, 604): SJSU recommends, but does not require, that you participate in the Early Start Program in Mathematics/Quantitative Reasoning.

6. Before enrolling in a class, you will see the fee waiver message again. Click **OK**.

7. This is your enrollment shopping cart. There is not much to do here except clicking the **Class Search** radio button and then clicking **Search**. So go ahead and do that.

8. Click the **select subject** button and choose "Mathematics" or "English." Set the Course Career drop-down menu to "Undergraduate." Click **Search**.

9. If you selected English, only one class will display: ENGL96RSW.

If you selected Math and are not in a calculus-based major, only one class will display: MATH 01.

If you selected Math and are in a calculus-based major, two classes will display: MATH 01 and MATH 18A. For course recommendations, visit the Early Start website: <http://www.sjsu.edu/earlystart>

Message

FA Waiver Yes (30025,11)

You are currently eligible for a CSU Early Start Program financial aid waiver. You will not be required to pay fees when you enroll in an Early Start course at a CSU campus, although you may be required to purchase textbooks or other course materials. Note: If your EFC changes between now and when you enroll, you may no longer be eligible for a financial aid waiver.

16. Now for the moment of truth: Did we get **green checks** or **red X's**?

If you see **green checks**, you are enrolled and have 48 hours to make your course payment. Select "Account Inquiry" from the navigation menu in your Student Center and then click "Pay Now." **Be sure to disable your browser's pop-up blocker** or the payment system will not work.

If you got **red X's**, contact the Early Start Program at [earlystart@sjsu.edu](mailto:earlystart@sjsu.edu) and we'll fix the problem.

Good luck in your Early Start classes!
