Podcast (50 points)

What do I need to do?

Create a podcast episode in Adobe Audition advising students on what to do and not to do to learn programming.

Part 2 (25 points)

In this part you will produce the Podcast in Adobe Audition.

1. Record the script you created in Part 1. You may modify the script as needed.
2. Assemble a podcast, including:
 - a. Introduction: title, running line.
 - b. Content
 - c. Special effects (at least one)
 - d. Credits (your name, it could be a fictitious name).
3. Export the podcast as mp3.
4. Upload to Canvas:
 - a. Mp3 file
 - b. Pdf of final script
