How to connect into a Canvas Zoom Session:

1. Go to Canvas (https://sjsu.instructure.com/), log into it with your SJSU credentials, once in, select your course that you need to attend a Zoom session.

2. Go to the course you are meeting in for the Zoom class session.

3. Click on the Zoom meeting link in the Canvas Course that your professor setup. It could be displayed in the modules area, the course Calendar area, or in the Syllabus section.

4. When prompted, download Zoom and run the installer or Launch the Zoom meeting through the browser.

5. Zoom should launch and you will see all the participants and the Zoom window with all of its functions.

6. You are now in the Zoom Session.
