

## Economics Departmental Honors Application

Students who meet the requirements for Economics Department Honors are recognized by the University with an indication of "Honors" on both the student's transcript and diploma.

In addition, we host the [Economics Department Awards Ceremony](#) during springtime where honorees are presented with a certificate and an honors graduation cord to wear with their commencement regalia. In the winter, honorees are given an honors graduation cord to wear at fall commencement and are invited back to participate in the awards ceremony during spring.

**Applicants must meet the following criteria:**

- Minimum GPA of 3.5 in Economics and a minimum 3.2 overall GPA (SJSU, plus any transferred)
- Have graduating senior standing
- Have support from a Economics Faculty member

Students who meet the department standards are also eligible to join the International Economics Honors Society, Omicron Delta Epsilon. Membership information can be found at: [www.omicrondeltaepsilon.org](http://www.omicrondeltaepsilon.org)
