PLANNING		MAKING CONTENT ACCESSIBLE	
EL2: How do the plans make the curriculum accessible to the students in the class? (TPEs 1,4,5,6,7,8,9)			
Level 1	Level 2	Level 3	Level 4
<ul style="list-style-type: none"> • Plans refer to students’ experiential backgrounds¹, interests, or prior learning² that have little or no relationship to the learning segment’s literacy standards/objectives. <li style="text-align: center;">OR • There are significant content inaccuracies in plans that will lead to student misunderstandings. 	<ul style="list-style-type: none"> • Plans draw on students’ experiential backgrounds, interests, or prior learning to help students reach the learning segment’s literacy standards/objectives. • Plans for the implementation of learning tasks include support³ to help students who often struggle with the content. 	<ul style="list-style-type: none"> • Plans draw on students’ prior learning as well as experiential backgrounds or interests to help students reach the learning segment’s literacy standards/objectives. • Plans for implementation of learning tasks include scaffolding or other structured forms of support⁴ to provide access to grade-level literacy standards/objectives. 	<p>All components of Level 3 plus:</p> <ul style="list-style-type: none"> • Plans include well-integrated instructional strategies that are tailored to address a variety of specific student learning needs.

PLANNING		DESIGNING ASSESSMENTS	
EL3: What opportunities do students have to demonstrate their understanding of the standards/objectives? (TPEs 2,3)			
Level 1	Level 2	Level 3	Level 4
<ul style="list-style-type: none"> • There are limited opportunities provided for students to learn what is measured by one or more assessments. <li style="text-align: center;">OR • There is a significant mismatch between one or more assessment instruments or methods and the literacy standards/objectives being assessed. 	<ul style="list-style-type: none"> • Opportunities are provided for students to learn what is assessed. • It is not clear that the assessment of one or more literacy standards/objectives go beyond surface-level understandings. 	<ul style="list-style-type: none"> • Opportunities are provided for students to learn what is assessed. • The assessments allow students to show some depth of understanding or skill with respect to the literacy standards/objectives. • The assessments of literacy access both productive (speaking/writing) and receptive (listening/reading) modalities to monitor student understanding. 	<p>All components of Level 3 plus:</p> <ul style="list-style-type: none"> • Assessments are modified, adapted, and/or designed to allow students with special needs opportunities to demonstrate understandings and skills relative to the literacy standards/objectives.

INSTRUCTION		ENGAGING STUDENTS IN LEARNING	
EL4: How does the candidate actively engage students in their own understanding of skills and strategies to comprehend and/or compose text? (TPEs 1,5,11)			
Level 1	Level 2	Level 3	Level 4
<ul style="list-style-type: none"> • Students have limited opportunities in the clip(s) to engage with content in ways likely to improve their literacy skills and strategies. OR • The clip(s) do not focus on specific literacy skills and strategies to comprehend and/or compose text. OR • Classroom management is problematic and student behavior interferes with learning. 	<ul style="list-style-type: none"> • Strategies for intellectual engagement seen in the clip(s) offer opportunities for students to develop and/or apply specific literacy skills and strategies to comprehend and/or compose text. 	<ul style="list-style-type: none"> • Strategies for intellectual engagement seen in the clip(s) offer structured opportunities for students to actively develop and/or apply specific literacy skills and strategies to comprehend and/or compose text. • These strategies reflect attention to student characteristics, learning needs, and/or language needs. 	<ul style="list-style-type: none"> • Strategies for intellectual engagement seen in the clip(s) offer structured opportunities for students to actively develop and/or apply specific literacy skills and strategies. • These strategies are explicit, and clearly reflect attention to students with diverse characteristics, learning needs, and/or language needs.

INSTRUCTION		MONITORING STUDENT LEARNING DURING INSTRUCTION	
EL5: How does the candidate monitor student learning during instruction and respond to student questions, comments, and needs? (TPEs 2,5)			
Level 1	Level 2	Level 3	Level 4
<ul style="list-style-type: none"> • The candidate primarily monitors student understanding of literacy by asking surface-level questions and evaluating student responses as correct or incorrect. • Candidate responses are not likely to promote student thinking. OR • Materials or candidate responses include significant inaccuracies in literacy content that will lead to student misunderstandings. 	<ul style="list-style-type: none"> • The candidate monitors student understanding of literacy by eliciting student responses that require thinking. • Candidate responses represent reasonable attempts to improve student use of literacy skills and strategies. 	<ul style="list-style-type: none"> • The candidate monitors student understanding of literacy by eliciting student responses that require thinking. • Candidate responses build on student input to guide improvement of students' use of literacy skills or strategies. 	<p>All components of Level 3 plus:</p> <ul style="list-style-type: none"> • The candidate elicits explanations of student thinking, and uses these explanations to further the understanding of all students.

ASSESSMENT		ANALYZING STUDENT WORK FROM AN ASSESSMENT	
EL6: How does the candidate demonstrate an understanding of student performance with respect to standards/objectives? (TPEs 1,3)			
Level 1	Level 2	Level 3	Level 4
<ul style="list-style-type: none"> • The criteria/rubric and analysis have little connection with the identified literacy standards/objectives. OR • Student work samples do not support the conclusions in the analysis. 	<ul style="list-style-type: none"> • The criteria/rubric and analysis focus on what students did right or wrong in relationship to identified literacy standards/objectives. • The analysis of whole class performance describes some differences in levels of student learning for the content assessed. 	<ul style="list-style-type: none"> • The criteria/rubric and analysis focus on patterns of student errors, skills, and understandings to analyze student learning in relation to literacy standards/objectives. • Specific patterns are identified for individuals or subgroup(s) in addition to the whole class. 	<p>All components of Level 3 plus:</p> <ul style="list-style-type: none"> • The criteria/rubric and analysis focus on partial understandings as well. • The analysis is clear and detailed.

ASSESSMENT		USING ASSESSMENT TO INFORM TEACHING	
EL7: How does the candidate use the analysis of student learning to propose next steps in instruction? (TPEs 3,4)			
Level 1	Level 2	Level 3	Level 4
<ul style="list-style-type: none"> • Next steps are vaguely related to or not aligned with the identified student needs. OR • Next steps are not described in sufficient detail to understand them. OR • Next steps are based on inaccurate conclusions about student learning from the assessment analysis. 	<ul style="list-style-type: none"> • Next steps focus on improving student performance through general support that addresses some identified student needs. • Next steps are based on accurate conclusions about student performance on the assessment and are described in sufficient detail to understand them. 	<ul style="list-style-type: none"> • Next steps focus on improving student performance through targeted support to individuals and groups to address specific identified needs. • Next steps are based on whole class patterns of performance and some patterns for individuals and/or subgroups and are described in sufficient detail to understand them. 	<p>All components of Level 3 plus:</p> <ul style="list-style-type: none"> • Next steps demonstrate a strong understanding of both the identified content and language standards/objectives and of individual students and/or subgroups.

ASSESSMENT		USING FEEDBACK TO PROMOTE STUDENT LEARNING	
EL8: What is the quality of feedback to students? (TPEs 3,4)			
Level 1	Level 2	Level 3	Level 4
<ul style="list-style-type: none"> • Feedback is general and provides little guidance for improvement related to learning objectives. OR • The feedback contains significant inaccuracies. 	<ul style="list-style-type: none"> • Timely feedback identifies what was done well and areas for improvement related to specific learning objectives. 	<ul style="list-style-type: none"> • Specific and timely feedback helps the student understand what s/he has done well, and provides guidance for improvement. 	<ul style="list-style-type: none"> • Specific and timely comments are supportive and prompt analysis by the student of his/her own performance. • The feedback shows strong understanding of students as individuals in reference to the content and language objectives they are trying to meet.

REFLECTION		MONITORING STUDENT PROGRESS	
EL9: How does the candidate monitor student learning and make appropriate adjustments in instruction during the learning segment? (TPEs 2,10,12,13)			
Level 1	Level 2	Level 3	Level 4
<ul style="list-style-type: none"> Daily reflections indicate inconsistent monitoring of student performance. There is limited evidence of adjusting instruction in response to observed problems, e.g., student confusion, a lack of challenge, time management. 	<ul style="list-style-type: none"> Daily reflections identify what students could or could not do within each lesson. Adjustments to instruction are focused on improving directions for learning tasks, time management, or reteaching. 	<ul style="list-style-type: none"> Daily reflections indicate monitoring of student progress toward meeting the standards/objectives for the learning segment.
