LATINX  
COMICS ART  
&  
ACTIVISM

\$3.95 / \$5.95 CAN

Monday & Wednesday 1:30PM - 2:45PM  
FALL 2022

We'll explore how Latinx comics represent intersectional identities, create community, advocate for political change, and speculate alternative futures. Texts will traverse genres, including superhero comics, sci-fi, autobiography, and political cartoons. We'll study these works within a longer history of comic art and visual culture within Chicax and Latinx struggles for social justice.
