Frequently Asked Questions

What if I do not complete required courses or miss a deadline?
You will have your admission to SJSU revoked and your registration canceled. In particular, failure to submit your transcripts will result in your application being withdrawn, even if you have signed up for housing, attended the Spartan Experience for Transfers orientation, or registered for classes.

What if I am planning to take courses required for admission during the Summer 2023 term?
You may not use coursework from the Summer 2023 term to complete admission requirements.

What if I want to take the Fall semester off; can I defer admission to another term?
No, your admission offer is good for the Fall 2023 term only. You must attend at least one course during the Fall 2023 semester to maintain your admission. If you do not enroll in courses during the term of your admission and wish to be admitted for a later term, you must submit a new application for the next available term for which you meet the minimum requirements.

What if I’m a California Community College transfer?
Keep your own copy of the general education plan from your community college. Keep track of the courses you’ve completed to meet the GE requirements. Work with our academic advisors to complete remaining courses at SJSU.

Can I change my major?
Because SJSU is an impacted campus, change of major cannot take place prior to the start of the term and is never guaranteed even after admission to SJSU. If you are Undeclared, you will receive more information about declaring your major during orientation.

You must complete the multi-step Next Steps Intent to Enroll process by 11:59 p.m. (Pacific Daylight Time) on Monday, May 1. Note that if you do not meet this deadline we will assume that you do not want to attend SJSU and your admission will be withdrawn.

YES – I intend to enroll at SJSU for the Fall 2023 semester.
(Please note: You may not defer your enrollment to a later semester.)

NO – I will not attend SJSU for the Fall 2023 semester.
(Your application will be withdrawn from further consideration.)

You will need the following to submit your intent to enroll:

- Your nine-digit SJSU ID (provided on your Letter of Admission)
- Your SJSUOne password

If you anticipate any problems completing the required steps below by the stated deadlines, contact nextsteps@sjsu.edu immediately.
Sign Up for Spartan Experience for Transfers (SET – Transfer Orientation)

Spartan Experience for Transfers is the mandatory one-day, in-person orientation program that will introduce you to the campus and its resources, connect you to your college and major department, and provide you with critical academic planning information. All admitted students are required to attend this mandatory orientation for the entire duration of the program. The cost to attend orientation is $80 and will be included in your $250 enrollment deposit.

Before attending Spartan Experience for Transfers (Transfer Orientation), complete Spartan Link (spartanlink.sjsu.edu) Online Pre-Orientation.

During orientation, we will:

- Discuss and explain key university services
- Facilitate connections with other staff, faculty and your fellow incoming students
- Host a General Education advising workshop to help in planning your academic schedule

If you do not attend or leave during any portion of the program, you will be blocked from registering for classes and will not be able to attend SJSU in Fall 2023. Students who arrive late will not be allowed to attend the program.

Parents and family members are invited to attend the virtual Parent and Family Orientation this summer. Registration for parents and families is located in the SJSU Parent and Family Portal (sjsu.campusesp.com).

For more information, contact New Student and Family Programs at transfer-orientation@sjsu.edu or visit sjsu.edu/newspartans and use our Live Chat feature.

Sign up for the mandatory Spartan Experience for Transfer (Transfer Orientation) at nextsteps.sjsu.edu
In order to complete the Next Steps Intent to Enroll process and reserve your spot to attend SJSU, you must submit your nonrefundable enrollment deposit by the deadline. Step 4

Apply for Campus Housing

If you would like to stay on campus while attending SJSU, you must complete a housing application for either University Housing Services or the International House, depending on where you prefer to stay for the Fall 2023 semester. (Please note there is a separate application for the International House.)

University Housing Services
We strive to provide supportive and affordable residential learning communities that promote academic success and individual development. Our living-learning communities help ease the transition to university life, serve as an extension of the classroom, and increase awareness of community responsibility. Located on the main San José State campus, the residence halls are just minutes from classes, the library, recreation and dining facilities, and downtown. If you have questions, contact University Housing 408-795-5600 or uhs-frontdesk@sjsu.edu

To fill out a housing application, visit sjsu.edu/housing and fulfill the following requirements:

• A completed online University Housing application
• A $50 nonrefundable application fee
• Pay Initial Payment

International House
A large, comfortable home located near campus, the International House (I-House) is a residence for 70 U.S. and international students attending San José State. At I-House, residents find friends, study partners, and mentors in addition to opportunities for leadership, group activities and travel. I-House students represent approximately 25 countries, range in age from 17 to 35 years of age, study in a wide variety of programs offered on the SJSU campus, and enroll in graduate, undergraduate, semester and year exchange, and English language programs.

I-House stays open year-round with per diem rates during summer and winter breaks. Students interested in living in the I-House must send a separate application directly to the I-House. There is no application fee. Applications are available at sjsu.edu/ihouse
**Housing Costs**

Housing rent is based on double occupancy, furnished units with a 10-month contract. Rent includes basic utilities, WiFi Internet access and furniture. Please note rent amounts are subject to change. To view the most up-to-date costs for our housing facilities, visit sjtu.edu/housing and sjtu.edu/ihouse

Submit
Proof of Vaccination and Immunizations

COVID-19 Vaccination Requirement
The deadline for incoming Fall 2023 students to complete the two-step COVID-19 self-certification requirement is May 15, 2023.

Per California State University (CSU) policy, students, faculty and staff must be fully vaccinated against COVID-19 if they are accessing campus facilities at any university location across the 23 campuses. Individuals are considered fully vaccinated after receiving all doses of a CDC-recommended COVID-19 vaccine, including booster shots. The CSU’s COVID-19 vaccination policy will allow medical and religious exemptions. For updated information on COVID-19 vaccine requirement policy, please visit the Health Advisories website at sjsu.edu/healthadvisories

Submit Proof of Vaccination
You must complete both of the following steps to meet the May 15, 2023 deadline for compliance.

Step 1: Complete the COVID-19 Vaccine Self-Certification form in MySJSU.
You will be asked to certify your current vaccination status or indicate if you qualify for a religious or medical exemption. Students requesting a religious exemption can upload their supporting documentation as an attachment on the COVID-19 Vaccine Self-Certification form. Please visit sjsu.edu/medical/covid19/covid-vaccine.php to download a copy of the religious exemption form.

Step 2: Submit proof of COVID-19 vaccination in the Student Health Center Patient Portal.
You will need to submit proof of your COVID-19 vaccination record and/or request for a medical exemption by signing in to the Student Health Center Patient Portal at sjsuportal.pointnclick.com

Proof can include a scanned/photocopy of your vaccine card or a record containing all of the following: full name, date of birth, manufacturer/brand of vaccine, vaccine lot number, administration date and site. Please ensure all information is visible and legible in English to prevent delays in verification.

The status will read “awaiting review” in the Medical Clearances section once submitted.

Additional Required Immunizations
In addition, as a new student, you will also need to provide proof of the following immunizations prior to the first day of classes:

- Measles, Mumps and Rubella Vaccine
- Varicella (Chicken Pox Vaccine)
- Tetanus/Pertussis/Diphtheria Booster (Tdap)
- Meningococcal conjugate
- Hepatitis B Vaccine
Complete
Upper-Division Writing Self-Placement Exercise

Traditionally, all SJSU students must take and pass an in-person Writing Skills Test before they are eligible to enroll in many upper-division courses.

Currently, the WST exam is suspended and students must complete the temporary replacement for the WST, the Upper-Division Writing Directed Self-Placement (UDW-DSP). The online UDW-DSP is an exercise (not a test) that helps students place themselves in the appropriate writing course at SJSU. Before registering for an upper-division writing course (100W), students must earn a “C-” or better grade in a GE area A3 course or equivalent second-semester composition course, and complete the UDW-DSP.

What you need to do:

• Make sure you have met the above criteria in order to complete the UDW-DSP
• Go to sjtu.edu/wac/wst and read the information there
• Click on the link “Begin the Upper-Division Writing Directed Self Placement Exercise” and complete the exercise
• Make sure you complete the UDW-DSP before you enroll in your courses at SJSU

Department Exams (If Required)

Check to see if you need to take a department-specific placement exam by contacting the department that oversees your degree program (major).

Learn more by reviewing the Course Placement by Examination section of the catalog at catalog.sjsu.edu

Students requesting Department Exams accommodations due to disability-related limitations, must register with the Accessible Education Center at least two weeks prior to the exam dates. Register online at tinyurl.com/AECreg

For questions about the UDW Directed Self Placement Exercise, please visit sjtu.edu/wac/wst

Many new undergraduates in the College of Science, Engineering and Business may need to take the Calculus Placement Exam prior to registration. For details, exemptions, and other criteria, visit sjtu.edu/math/calculus

Register
For Classes

You will register for classes in your MySJSU student account once you have an enrollment appointment.

Registration Appointments
Your registration appointment will be posted to MySJSU. We encourage you to use MyScheduler (in MySJSU Student Center) to plan your course schedule. This tool allows you to pre-program in breaks or time conflicts before calculating several possible course schedules to choose from. Once you have chosen the optimal schedule, those courses can be sent to your MySJSU account to complete your course registration.

Attend Spartan Experience for Transfers
(Mandatory Transfer Orientation)
After attending Spartan Experience for Transfer and submitting your official transcripts, you should receive a registration appointment within 10 business days.

Registering for Courses
Sign in to one.sjsu.edu > click "MySJSU" > navigate to "Student Center" > click "Enroll" under "Academics" section > choose the semester you want to enroll > click "Continue."

You can now select the class to add. The SJSU Schedule of Classes has the specific class number codes and section numbers you’ll need in order to register.

Registration Holds
If you have a registration hold, sign in to one.sjsu.edu and click on the MySJSU tile. Go to self-service, look for the "Hold" box on the right column, and click “Details” to find out how to resolve your hold. If you do not have a hold, you may begin to register at your appointment time. You do not need to come in person or call us to register.

Late Registration
After the initial registration period (Advance Registration) ends, you may still register, but not until the first day of instruction. Late registration is dependent on the space available. Getting the classes you want may be very difficult.
What will I need to register for classes?
- A file of your SJSU admission information, including admission letters, grade reports, copies of transcripts from other schools, copies of AP and placement test scores, and everything related to your enrollment.
- Attend all segments of the mandatory orientation.
- The SJSU Catalog for descriptions of classes, major and minor requirements, available at catalog.sjsu.edu

Once I’ve registered, can I change my schedule?
If work or family obligations require you to change your schedule, you may make changes to your class schedule before the last day to drop classes.

Important note: Before dropping/swapping any class(es) from your schedule to enroll in a different class, be sure you can successfully add the other course(s). Classes at SJSU fill up quickly. If a course you want is full, search for open sections via MySJSU or MyScheduler (both can be found at one.sjsu.edu). Or, place yourself on the class waitlist. It is not guaranteed that you will be able to enroll into waitlisted courses.

Can I still get academic advising if my transcripts have not been fully evaluated?
Yes. Advisors will advise you on general university expectations and graduation requirements, including general education course requirements. However, once you get your transcript fully evaluated by Admissions, you must meet with an Academic Advisor again to re-examine your general education checklist and progress toward degree completion because changes to your academic plan may have to be made. This is essential if you plan to graduate in a timely manner.

What if I don’t register for the Fall 2023 semester?
Your admission is only good for the Fall 2023 semester. You must attend at least one course during the Fall 2023 semester to maintain your admission. If you do not enroll in courses during the term of your admission and wish to be admitted for a later term, you must submit a new application for the next available term for which you meet the minimum requirements.
Pay
Tuition and Fees

Fees are due after registering for your classes. To see your payment due date, check MySJSU under the “Finances” section. You have
the option to pay in full or sign up for a payment plan. For details, visit sjsu.edu/bursar

After you register, sign in to MySJSU to view the amount you owe and your payment due date. SJSU does not send invoices to students.
It is your responsibility to check MySJSU to keep current with your account. Failure to pay by the deadline may result in all of your
classes being dropped. For more information about payment methods, fees and payment due dates visit sjsu.edu/bursar

Fees are Subject to Change
The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need
to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made,
to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All
CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor,
or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the
Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

Third-Party Sponsors
If a Third-Party Sponsor, such as a foreign government agency, a business and/or educational institution, agrees to sponsor
you by paying your tuition and fees, please get an authorization letter from the sponsor stating how much of your tuition they
will cover and for which semesters. Submit the authorization to SJSU's Bursar’s Office, Attention: Third-Party Technician and
retain a copy of the letter for your records.

The Bursar’s Office will invoice the sponsor as appropriate for tuition and fees after the add/drop period as long as the
sponsored student is registered and has submitted a current letter of authorization. Learn more at sjsu.edu/bursar/services/
sponsors/3rd_party

Financial Aid
Please note that international students are not eligible for federal or state financial aid.

Scholarships
Scholarships are available to international students through SJSU's Financial Aid & Scholarship Office. International students
are only eligible for scholarships that are merit-based. Need-based scholarships are part of financial aid, which is unavailable
to international students.

To get more information on scholarships, visit the SJSU Financial Aid & Scholarship Office.
Installment Payment Plans
The university offers payment plans to assist students and their families in making their payments over a period of time.

Two payment plans are offered for the Fall and Spring semesters:

- Tuition and fees payment plan
- Housing payment plan

Students may sign up for both plans if needed and each payment plan has a $35 fee. The initial payment includes campus mandatory fees, optional SIRF fee, First Day Solutions charges and miscellaneous class fees. These fees must be paid by your payment due date and are not included in the installments.

Eligible charges that can be divided into the installment payments include tuition fees, non-California resident fees, and graduate professional business program fees. A student must have a minimum of $1,000 in eligible charges to qualify for the payment plan. Visit sjsu.edu/bursar/payment-refunds/installment-payment-plan for more information.

International Wire Transfers
International students can now make payments via international wire transfer. San José State University has partnered with Flywire to streamline the tuition payment process for our international students. Flywire offers excellent foreign exchange rates, allowing you to pay in your home currency (in most cases) and save a significant amount of money, compared to traditional banks. You will be able to track the progress of your payment throughout the transfer process via a student dashboard, and you will also be notified via email when your payment is received by San José State.

There is no fee charged by SJSU or Flywire for international wire transfers. The bank you use to send the wire transfer usually charges a fee, so check with that bank for the fee schedule.

Learn more at sjsu.edu/bursar/payment-refunds/methods-payment/international

Field Trip Fees
A few courses have additional field trip fees ranging from $11 to $52.

Special or Optional Fees
Parking permits are available for students. A daily one-semester parking permit is estimated at $192.

Refunds
Students are highly encouraged to enroll in Direct Deposit. With Direct Deposit, you receive your refund several days quicker than a paper check and more securely. To enroll, sign in to MySJSU, scroll to "Finances" and select "Enroll in Direct Deposit".

Bookstore Charges
Registered students can charge books and supplies purchased at the Spartan Bookstore to their MySJSU student account up to $900 per semester. For more details visit sjsu.edu/bursar/our-services/spartan-bookstore-voucher

Keeping Your MySJSU Account Current
SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university, or its agent, has the right to pursue collection in order to repay a delinquent debt owed to the university.
Submit Final Official Transcripts

We will review your partial and final official transcript(s) to verify that you completed all required courses for admission. This includes passing required courses with a “C-” or better. Partial official transcripts show all completed coursework from all institutions that you have attended as well as coursework in progress and must be submitted by Thursday, March 23, 2023.

Final official transcripts must include all completed coursework from all institutions that you have attended and must be submitted by Saturday, July 15. If you have AP, IB or CLEP exam results, please have official score reports sent to SJSU by the testing agency.

Coming from a U.S. Institution

To complete this process, you must show your admission letter and the SJSU “SEVIS Transfer In Form” to your current school’s international office. You can find the form under “SEVIS Transfer In Form” on sjsu.edu/isss/resources/student-forms

This form is not mandatory but optional; it is used to let your current institution know that you wish to transfer to SJSU. Once your current institution sends your electronic I-20 document through SEVIS, then you will receive a Transfer-Pending Form I-20 from SJSU.

Coming from Outside the U.S.

You will receive a U.S. Immigration Form I–20 directly from San José State in the mail with your letter of admission. To start the process to obtain an F–1 student visa, first complete the I–901 form online through SEVIS at ice.gov/sevis/i901 then pay the SEVIS fee and print out the receipt. To obtain your F–1 visa, make an appointment for a visa interview and go to the nearest U.S. Consulate with the following:

- Your current passport
- SJSU admission letter
- Your I–20 (Certificate of Eligibility) form
- Proof (receipt) of SEVIS payment
- Proof of financial support
- Other supporting documents, as indicated on the website of the U.S. Embassy or Consulate you will be visiting

For more information on preparing for a visa interview, visit sjsu.edu/isa/new/pre-arrival/visa-interview

Customs and Immigration at the Airport

Please expect this process to be a lengthy experience and prepare in advance. You must keep the following documents in your carry-on luggage so you are able to present them to a Customs and Border Patrol officer:

- Passport (must be valid for at least six months after the date of entry)
- F-1 visa stamp, valid at the time of entry
- Form I-20, must be valid
- Proof of financial support and resources reflected on Form I-20
- Tuition and/or Housing receipt(s), if you have made payments prior to your arrival
- SEVIS fee receipt

Canadian citizens are not required to apply for a visa to enter the U.S. as an F-1, but must still pay the SEVIS Fee and present their Form I-20 at the U.S. port of entry.

For more information on preparing for Customs and Immigration at the airport, visit sjsu.edu/isss/new-students/pre-arrival/visa-interview

Upon arrival at SJSU, you must complete your Immigration Document Checkin at the Office of International Student and Scholar Services (ISSS). For more information, visit sjsu.edu/isss
Purchase Health Insurance

SJSU requires all students to have medical insurance, and all international students are required to purchase the SJSU health insurance coverage prior to registering for classes. You can register for the mandatory SJSU health insurance online. This is required even if you already have insurance coverage in your home country, from family, or other sources.

You can buy your insurance for the year, or for a semester at a time. If you have questions about purchasing your insurance, contact International Student and Scholar Services at international-office@sjsu.edu or 408–924–5920.
Attend
Global Spartan Welcome (GSW)

F-1 students are required to attend Global Spartan Welcome (GSW), a program specifically for international students. During the Global Spartan Welcome, you will receive information on how to maintain your F-1 status and other useful information to help you adjust to your new life at SJSU. More details can be found on the Global Spartan Welcome page on the ISSS website and will be sent to you through your MySJSU sjtu.edu email account.

Please check your email regularly for communication from ISSS regarding the required documents and information to complete your immigration check-in and maintain your F-1 status. The immigration document check-in process is a federal requirement.
Important Resources

Student Responsibilities and Rights
As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution (S90–5). Students are encouraged to consult the Student Responsibilities and Rights section of the SJSU Catalog (catalog.sjsu.edu) to ensure an understanding of the resources, requirements, and programs designed to support students’ academic and personal growth, as well as review important university policies and procedures every student at SJSU is responsible for knowing and upholding.

Student Code of Conduct
Members of SJSU are expected to uphold the community standards and demonstrate academic integrity, accountability for one’s actions, respect for oneself and one’s community, and personal development. It is, therefore, important that students familiarize themselves with the Student Conduct Code and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog, schedule of classes, at sjsu.edu/studentconduct/policies

Students with Disabilities
The Accessible Education Center (AEC) provides academically related accommodations and services for students with disabilities. To qualify, students must complete an AEC application and meet with an AEC Counselor. A wide spectrum of accommodations/services/auxiliary aides are available to students based on individual needs. Accommodations include, but are not limited to: Consideration for priority registration, note takers, sign language interpreters/Captioners, test accommodations, academic counseling, disability management and assistive technology training.

Students can register with the AEC anytime during the semester; however, it is recommended students provide the AEC with disability verification as soon as possible to assist them. Visit AEC’s website (sjsu.edu/aec) for more information.
