Spartan Accelerated Graduate Education (SAGE) Scholars
Apply with your advisor to become a Spartan Accelerated Graduate Education (SAGE) Scholar to earn a combined bachelor’s and master’s degree at SJSU. Check out the list of available SAGE programs.
Freshman Steps to Admission

**Step 1**  
Meet All Academic Requirements  
- Meet minimum CSU Eligibility Index  
- Complete 15 units of A-G course requirements  
- Earn High School Diploma or Equivalent

**Step 2**  
Choose your major carefully  
- We admit to major. Check out how competitive your major has been historically by visiting sjsu.edu/admissions/impaction  
- Change of major is never guaranteed  
- Must pick an alternate major (not all majors are available, particularly highly competitive majors)

**Step 3**  
Apply to San José State University at CalState.edu/Apply  
Please consult the Cal State Apply Freshmen Coursework Entry Guide for questions about how to enter coursework.

**Step 4**  
Look for an email with your SJSU ID  
About 7-10 business days after applying at Cal State Apply, you will receive an email with your nine-digit SJSU ID included. This nine-digit number will be your primary university identification throughout your career at SJSU.

**Step 5**  
Create your password for your SJSUOne/MySJSU account and activate DUO (two-factor authentication)  
Your SJSUOne ID and password will get you into your MySJSU account.

**Step 6**  
Sign in to SJSUOne to access your MySJSU student account on the Spartan Apps Portal  
Click on the “sign in” link and enter your nine-digit SJSU ID and the password you created. Then, search for “MySJSU” in the search box.

**Step 7**  
Check your MySJSU account weekly  
You will receive important and timely notices, such as admission, fees, financial aid, enrollment appointment, test and transcript information, and deadlines.

**Step 8**  
Suspended - Submit Official SAT or ACT Test Scores  
The California State University (CSU) will continue to temporarily suspend the use of ACT/SAT examinations in determining admission eligibility for all CSU campuses for the 2022-2023 academic year. Please note: We highly recommend that you submit your SAT and/or ACT scores, as this is one of several measures to assess math and English placement for first-year students.

**Step 9**  
Complete the required high school (A-G) courses with grades of “C-” or better (prior to high school graduation date)  
A list of approved courses can be found at https://hs-articulation.ucop.edu/agcourselist

**Step 10**  
Earn a high school diploma, or equivalent  
Your graduation date must be included in your final transcripts.

Meet All Deadlines  
Check your “To-Do List” in your MySJSU student account for deadlines weekly. If you miss an SJSU deadline, we will withdraw your application for admission, and you will not be able to attend SJSU for the term in which you applied. If you have an extreme circumstance that may cause you to miss one of our deadlines, contact admissions@sjsu.edu prior to the deadline date.

“Local” Applicants  
San José State gives preference to “local” applicants. Learn more about local preference at sjsu.edu/admissions/impaction

Coursework Outside U.S.  
When you fill out the admission application at CalState.edu/Apply, you must include all high schools and colleges/universities attended, including those outside of the U.S. Failure to report an institution could negatively affect our ability to verify your eligibility for admission.

**ALL INFORMATION, DATES, TEST SCORES, AND FEES SUBJECT TO CHANGE WITHOUT NOTICE**
**Freshman Academic Requirements**

**High School Courses**
Complete the required high school courses with grades of “C-” or better (prior to your high school graduation date).
The CSU will consider course grades of “credit” or “pass” as fulfilling “a-g” requirements for those courses completed during winter, spring, summer, or fall 2020 terms and during winter, spring, or summer 2021 terms.

**Graduate**
Earn a high school diploma, or equivalent.

**SAT/ACT Scores**
SJSU will not require SAT/ACT scores for Fall 2022 admission and they will not be considered in our admission consideration process.

We will continue to consider SAT and ACT as one of several measures to assess math and English placement for admitted students who enroll at SJSU.

**Eligibility Index (EI)**
For Fall 2022, SJSU will use your Grade Point Average (GPA) to calculate your Eligibility Index. SJSU will not consider SAT/ACT scores when calculating your EI.

**Grade Point Average (GPA)**
Your official GPA for admission to SJSU may be different than the GPA on your high school transcript. This is because we calculate your high school GPA using your 10th and 11th-grade a-g courses when considering you for admission.

Note that courses completed with “Pass” or “Credit” grades in 2020 and in the Winter 2021, Spring 2021, or Summer 2021 terms will not be included in the calculation of your GPA.

**Minimum Eligibility Index (EI)**
The minimum Eligibility Index is typically calculated using a combination of SAT/ACT scores and your GPA. Because the requirement to submit official SAT/ACT scores is suspended for the Fall 2022 admission cycle, applicants will be eligible for admission consideration according to the following:

<table>
<thead>
<tr>
<th>Residency</th>
<th>Minimum GPA Requirement (A-G coursework)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Nonresident of California</td>
<td>3.00 or greater</td>
</tr>
<tr>
<td>California Resident or graduate of a California high school</td>
<td>2.50 or greater</td>
</tr>
</tbody>
</table>

Applicants below these GPA minimum requirements will not be considered for admission at SJSU.

**GPA Calculator**
You can estimate your 10th and 11th-grade a-g courses GPA (including honors, IB, and AP courses) using the CSU Grade Point Average Calculator at [www2.calstate.edu/apply/eligibility-index](http://www2.calstate.edu/apply/eligibility-index)

**Impaction Criteria (for Freshmen)**
Meeting Minimum Admission Requirements Does Not Guarantee Admission

Admission to San José State is competitive in all majors because SJSU continues to have more qualified applicants than available new student spaces. This situation is called “impaction” and it means that meeting the minimum academic requirements for CSU eligibility does not guarantee admission to San José State.

Freshman applicants who meet the minimum academic requirements will be ranked in each major and admitted to meet the enrollment capacity of their chosen major.

Applicants who have met the minimum CSU eligibility requirements will be ranked in each major by an eligibility index primarily based on the self-reported GPA earned in a-g course requirements at the time of application. SJSU’s eligibility index will continue to include preference to local applicants.

For Fall 2022, SJSU will also consider additional factors in the impaction process. Specifically, additional consideration will be given to applicants who qualify for the Cal State Apply fee waiver; are the first in their family to graduate from a four-year college (first-generation); and/or are a U.S. veteran.

Applicants to majors in the College of Engineering will be ranked using a modified eligibility index that will take into consideration applicants’ math GPA in combination with the factors listed above.

Please see [sjsu.edu/admissions/impaction](http://sjsu.edu/admissions/impaction) for details about this process for Fall 2022.

Academic Requirements

Junior Status (60 semester / 90 quarter units)
Complete 60 or more transferable semester units or 90 or more quarter units by the end of the Spring 2022 term. Learn about courses accepted at transfer.sjsu.edu

California College/University Credits
To learn how course credits earned at one public California college or university can be applied when transferred to another, use ASSIST, an online student-transfer information system, at assist.org

Basic Skills Courses
Complete your four basic skills courses as early as possible. The four basic skills courses must be completed by the end of the Spring 2022 term to be eligible for admission for the fall semester. Courses taken during the Summer 2022 term will not be counted toward the completion of academic requirements for Fall 2022. You must earn a “C-” or higher in each basic skills course. SJSU will also accept “Credit” or “Pass” grades for courses taken during the Winter 2021, Spring 2021, or Summer 2021 terms to satisfy the following requirements.

☐ 1. One course in oral communication (Area A1)
☐ 2. One course in written composition (Area A2)
☐ 3. One course in critical thinking (Area A3)
☐ 4. One course in college-level mathematics or quantitative reasoning, with intermediate algebra as a prerequisite (Area B4)

Grade Point Average
Earn a college grade point average of 2.00 or better in all transferable courses. Be in good standing at the last college or university attended.

Mandatory Supplemental Application
To be considered for admission, all transfer applicants must complete SJSU’s supplemental application by the deadline posted to your MySJSU account.

Transfer Associate Degree
At SJSU, a California Community College student who has earned the Associate in Arts degree for Transfer (AA-T) or the Associate in Science Degree for Transfer (AS-T) will receive priority admission consideration into an approved similar baccalaureate degree program as long as the student meets all the admission requirements. Verification of degree completion will be required during the application process as well as a final verification prior to enrollment.

Transfers with the AA-T or AS-T degree who do not meet SJSU’s impaction criteria (based on their intended major) are not guaranteed admission to a specific major or campus but will receive priority admission consideration at their local CSU to a program or major that is similar to their associate degree. Visit icangotocollege

Impaction Criteria (for Transfers)
Admission to San José State is competitive in all majors because SJSU continues to have more qualified applicants than available new student spaces. This situation is called “impaction” and it means that meeting the minimum academic requirements does not guarantee admission to San José State.

CSU eligible transfer applicants will be ranked in each major based on their self-reported GPA (as reported in the required supplemental application). Some programs will give preference to applicants who have completed program-specific preparation courses.

Majors with Preparation Courses (Program-Specific)
Select majors (degree programs) give preference to applicants who have completed program-specific preparatory courses. These programs are noted in the “Majors” section and will give preference to students based on a combination of their self-reported GPA and the completion of program-specific, lower-division coursework.

For example, if two applicants to the same program have the same GPA, preference will be given to the applicant who has completed the greater number of program-specific preparation courses. Similarly, if two applicants have completed the same number of program-specific preparation courses, preference will be given to the applicant with a higher GPA. The program-specific courses that will be considered are listed at sjsu.edu/admissions/impaction

Fees are Subject to Change
The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

California Residency for Tuition Purposes
The determination of residency for tuition purposes affects whether a student pays in-state or out-of-state tuition fees. Out-of-state tuition fees are higher than in-state tuition fees. Just because a student is or has been a resident of the State of California does not mean that he or she qualifies to receive the in-state tuition rate. Certain requirements, established under California law, must be met. Visit the California State University site for additional information regarding residency.

Senior Year Costs
Senior year of high school can also run up quite a tab for families. From prom to SAT/ACT tests to graduation, budgeting can help to ensure a reasonable, but memorable final year in high school.

- ACT/SAT Tests: $50 - $90 per test
- College Applications: $43 (average) - $90 per application

Optional Costs
- Test Prep classes for ACT/SAT exams: $200+ (online), $600+ (in person)
- High School expenses (prom, pictures, ring, yearbook, graduation, etc.): $1,500+

In-state Tuition for Certain Non-residents of California (AB 540 provisions)
If you attended high school in California for at least three full years and graduated or earned an equivalent degree, you may be eligible for resident (in-state) tuition. You must file an affidavit (sjsu.edu/registrar/docs/AB_540.pdf) with SJSU. You will need to show proof of attendance and graduation.

To learn more about how students are transformed at SJSU, visit sjsu.edu/transform

SJSU instilled the confidence in me that a career through writing was possible. It was within reach. Coming from the East Side San Jose where access to resources are sometimes harder to come by—I became immersed into a different world on campus. The professors from the School of Journalism and Mass Communications worked tirelessly to help me graduate and saw the potential before I even did.

David Ngô
'19 Public Relations

My time at SJSU was a great transformation. As a transfer student from the U.S. Military Academy at West Point, I arrived in San José deflated and depressed. I found positivity and inspiration within the Xi Gamma Chapter of Omega Psi Phi Fraternity. After graduation I pursued coaching... with the life mission of ‘encouraging students to have a dream and admonishing them to have courage through adversity.’ My time at SJSU, though full of trials and tribulations, was the greatest time of my life.

Carl Henderson
'04 African American Studies

SJSU allowed me to make mistakes, learn from my experiences and expanded my own understanding of my horizons. My passions to serve communities who would have otherwise been unheard, silenced or ostracized were also cemented through the service learning opportunities granted at SJSU. I am forever grateful for the time that I spent at SJSU! Go Spartans!

Isra Ahmad
'13 Health Science

SJSU set me on a path towards a rewarding career. SJSU introduced me into nursing. I was able to gain a strong foundation in patient care. Now I am in a position to take on students at my clinical site and help patients improve their mental health.
