

FALL 2015

Steps to Graduate Admission

SAN JOSÉ STATE UNIVERSITY *powering* SILICON VALLEY

Thank you for applying to San José State University. This publication includes step-by-step instructions for completing the graduate admission process. Please note that your application will be reviewed by SJSU's Graduate Admissions and Program Evaluations Office (GAPE) as well as the academic program to which you are applying for admission. Be sure to check the website of the academic program for program-specific admission requirements in addition to California State University minimum standards.

Application Overview

Now that your application is submitted, San José State's GAPE office will evaluate your application to make sure you have met the minimum university requirements (i.e. an eligible undergraduate degree with a minimum GPA). If minimum requirements are met, your application is then reviewed by the academic program to which you have applied.

The minimum grade point average (GPA) for admission to the university is a 2.5 GPA in the last institution where you earned a degree. Professional development courses and courses taken in non-accredited institutions are not included in the evaluation of GPA. Course work completed outside the U.S. and Canada will be evaluated by WES (World Education Services) while marks earned will be evaluated by the GAPE Office. – Foreign transcripts sent directly to SJSU will not be considered for admission.

Many SJSU graduate programs have higher GPA admission standards than the university's minimum GPA requirement. Your intended graduate program will evaluate your application for admission based on program-specific criteria. Check the website for specific program criteria at sjsu.edu/gape/graduate_programs

Application Process

1

Submit your fee

If you did not submit the \$55.00 application fee at the time of submission, please submit your application fee as soon as possible. We will not begin to process your application until we receive your application fee. The \$55.00 fee can be paid by check, money order, or cashier's check. Cash is not accepted. The fee can be paid by credit card only at the time the application is submitted.

Your payment is non-refundable, even if you withdraw the application or if the application is denied. The fee can be applied only to the admission term indicated on your submitted application.

2

Look for an email with your SJSU ID

Five to seven business days after applying at CSU Mentor, you will receive an email with your nine-digit SJSU ID number and instructions to access your MySJSU student account. If you do not receive your ID within that time period, contact admissions@sjsu.edu. Include your full name, birth date, and mailing address for identity verification purposes.

Once you access your MySJSU account, you will be able to check the status of your application. Your MySJSU account is the first and best place for information on your application status.

3

Sign in to your MySJSU student account at <http://my.sjsu.edu>

SJSU communicates almost entirely by messages and "to-do" items posted to your MySJSU student account. Check your MySJSU account at least once a week for important and timely notices, such as admission, fees, financial aid, testing, transcript information, and deadlines.

4

Check for any program-specific application requirements

Check your intended graduate program to find out if you must submit a separate department application, letters of recommendation, and graduate test scores. Be sure to follow all specific program procedures. All supplemental program materials should be sent directly to the program. To view a list of graduate programs, visit sjsu.edu/gape/graduate_programs

If you meet the minimum university standards, your application will be referred to the department that offers your intended graduate program. Your program will notify GAPE of the results of their review of your application. GAPE will post the final admission decision to your MySJSU account. If you have not received an admission decision after four weeks of being referred out for review, **contact your intended graduate program to determine when the department review will be completed.**

5

Submit official required documents (transcripts/mark sheets) listed on your MySJSU to-do list

Document Requirements

U.S./Canada Institution Transcripts

All transcripts must be sealed and unopened to be accepted as official documents. COPIES OF TRANSCRIPTS OR OPENED TRANSCRIPTS WILL NOT BE ACCEPTED. Once submitted to SJSU, documents become the property of the university and cannot be released.

Individuals currently enrolled in courses at the time of their application for admission are required to submit the most current "Work In Progress" transcript from the institution. Students will still need to submit final transcripts once they graduate from their current institution. Please note that documents must contain a minimum of seven semesters (10 quarters) for applications to be reviewed. If this information is not provided by the stated deadlines, applications will be withdrawn.

Course work Completed Outside U.S. and Canada

If you have completed post-secondary course work in an institution outside the U.S. or Canada, you must submit your transcripts/mark sheets directly to WES (World Education Services) for document-by-document evaluation. SJSU must receive your academic record and the evaluation directly from WES. Transcripts sent directly to SJSU will not be considered for admission. A complete WES evaluation is preferred. However, we will review applications of those in the final year of study. For these applicants, the WES evaluation must contain a minimum of seven semesters of work.

California Residency

The laws of California provide that every student in the California State University system must be classified as either a resident or nonresident for tuition purposes. Applicants have the ultimate burden of proving their residence classification. For admission to Fall 2015 as a resident, you must have established California residency by September 20, 2014 (one year prior to the start of the Fall 2015 term).

Established California residents should not submit a residency form. If you have lived in California for fewer than two years, the residency form should be submitted with supporting documents. To download the form or for more information visit sjsu.edu/gape/prospective_students/residency

Declaration of Finance

In addition to the online CSU Mentor application, all international applicants MUST submit a Declaration of Finance form. Federal immigration regulations require that all international students provide evidence of adequate funds to meet the financial obligations of enrollment at a U.S. university. The combined U.S. dollar amount from you or your sponsor(s) must equal or exceed the minimum listed for the application term, which at this time is approximately \$31,000 USD. Please note that special session programs may require a higher amount to list on the Declaration of Finance form. You can contact the specific department offering special session programs for more information about the annual costs of their programs.

Copy of Passport

A copy of your current passport is also required if you are an international applicant. The name listed on your passport and your I-20 form must be the same. There are no exceptions to this rule. Please note: The name on the I-20 form will appear exactly as it was submitted on your CSU Mentor application.

Deborah Stevens
Library and Information Science

How to Submit Documents

U.S./Canada Institution Transcripts

After applying online to the university, please include your assigned nine-digit SJSU ID# on the requested transcripts. All transcripts must be sealed and unopened to be accepted as official documents. COPIES OF TRANSCRIPTS OR OPENED TRANSCRIPTS WILL NOT BE ACCEPTED. Once submitted to SJSU, documents become the property of the university and cannot be released. Send transcripts to:

San José State University – Graduate Admissions
 One Washington Square
 San José, CA 95192-0017

Course Work Completed Outside U.S. and Canada

SJSU requires all applicants who have completed coursework outside of the United States and Canada to provide a WES (World Education Services) document-by-document evaluation. Records submitted to WES in support of the application become the property of the university and will not be returned to the applicant/student. Do not submit transcripts directly to SJSU. To request an evaluation, follow the country-specific requirements and arrange for document delivery to SJSU at wes.org/fees/evaltypes.asp

SJSU must receive your evaluation from WES by the posted admission deadline (For deadline dates visit sjsu.edu/gape/prospective_students) If WES determines they do not evaluate work completed at your institution, you must use another approved evaluation service. GAPE will accept evaluations from an approved evaluation service other than WES if WES confirms that they do not evaluate work completed at your institution(s). To determine if WES is able to conduct an evaluation of work completed at your institution, visit wes.org/required/index.asp For information about other approved evaluations services, contact admissions@sjsu.edu.

All other documents can be mailed or submitted electronically in individual PDF formatted files (one PDF for each requested document) to sa-adm-wrkflow@sjsu.edu

The following are steps for submitting items by email.

- 1 Convert documents to PDF format. Free PDF converters are available at primopdf.com or freepdfconvert.com
- 2 Make sure the documents are readable, in individual files (one form per PDF document), and that the institution's name is at the top of the page.
- 3 Include your nine-digit SJSU ID and your first and last name in the BODY of the email message.
- 4 Send email with attachments to sa-adm-wrkflow@sjsu.edu (One email may contain multiple PDF files.)

After your documents have been submitted, it may take up to three weeks for your "to-do" list items on your MySJSU account to be updated. Apply early to avoid delays and submit documents as soon as possible in the approved format.

Continue to check MySJSU for important messages, required documents, and deadlines.

**Graduate Test Scores (GRE, GMAT, TOEFL, IELTS, PTE) must be sent by the testing agency.

Test Requirements

Graduate Program Test Requirements

Many of our SJSU graduate programs require that applicants take a standardized test before they are eligible to be admitted to the program. Refer to the following list to check whether your intended program requires a particular test; also listed are minimum score requirements at sjsu.edu/gape/prospective_students/test_requirements

English-Language Proficiency Exam

An English-language proficiency exam is required for all students who graduated from a higher education institution in a country in which the primary language is not English. The exam requirement is waived only if the student has received a bachelor's or master's degree from an accredited U.S. institution, or completed three years of full-time course work in an accredited U.S. institution. The English-language proficiency exams accepted include:

Test of English as a Foreign Language (TOEFL)
International English Language Testing System (IELTS)
Pearson Test of English (PTE)

Test scores must be fewer than two years old and sent directly from the testing agency to San José State **(SJSU institution code is 4687—ETS code only)**. The university minimum entrance scores are:

TOEFL = 550 (paper-based; not accepted by some SJSU programs) 213 (computer-based) 80 (internet-based)
IELTS= 7.0
PTE= 68

Please note: Some graduate programs at SJSU require test scores higher than the minimum required by the university. The scores required are listed on the program websites and the Graduate Program Test Requirements page at sjsu.edu/gape/prospective_students/test_requirements

Admission Deadlines

To view document deadlines for your intended graduate program, visit sjsu.edu/gape/prospective_students/deadlines

Our international deadlines are much earlier than our domestic deadlines due to the lengthy visa process that international applicants must complete. Please plan accordingly.

Have Questions?

Contact admissions@sjsu.edu

[facebook.com/SJSUEnrollment](https://www.facebook.com/SJSUEnrollment)

If Admitted to SJSU

Course Registration

If you are offered admission to the university you will receive an official letter of admission. You will be able to view your registration appointment date for course registration through your MySJSU student account.

Intent to Enroll and Orientation

You will be invited to participate in SJSU's Intent to Enroll process in your admission materials. SJSU's intent to enroll process allows you to accept the university's offer of admission and register for the optional university-wide Graduate Student Orientation. In addition, contact your program to find out if a department-specific orientation program will be offered separately.

I-20 Process (International Students Only)

If you are offered admission to the university, we will process your I-20 form and mail it to you as soon as possible so that you may start your F-1 visa process. If you are an international student, you must inform the GAPE office of your visa status at the time you submitted your admissions application.

Mailing Admission Packets Overseas

Two options are available for mailing admission letters and I-20 forms. An international applicant may choose to receive documents through Regular Overseas Mail or by Express Mail (see descriptions below). When you receive notification that a decision has been made, you will have 48 hours to make a decision regarding your choice for mailing. If we do not hear from you within 48 hours of your admission decision posting to your MySJSU account, we will send documents through Regular Overseas Mail. Please review the following choices:

Regular Overseas Mail (4-6 weeks) – If you want your admission letter and I-20 form sent by regular overseas mail, no response is required. The documents will be sent to the address indicated on your application and will reach you in four to six weeks. There is no option for tracking documents sent Regular Overseas Mail.

Express Mail (3-5 days)– San José State uses an express mail service that allows you to receive your acceptance letter and I-20 form through DHL or FedEx in three to five days. You must cover the expense for express mail, which can be covered with a credit card (Visa, MasterCard, or Discover cards only). To request express mailing of your documents, visit <https://study.eshipglobal.com>

For more information on Express Mail contact support@eshipglobal.com

International Programs and Services

Business

Costs

Fees are due after registering for your classes. Check your MySJSU account to see your payment due date. After you register, log on to your MySJSU account to view the amount you owe and your payment due date. SJSU does not send invoices to students. It is your responsibility to check your MySJSU account to keep current with your account. Failure to pay by the deadline will result in your classes being dropped.

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation. Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university or its agent has the right to pursue collections in order to repay a delinquent debt owed to the university.

Semester Registration Fees (estimated)

6 units or fewer	\$2,878.50
6.1 units or more	\$4,294.50

*Nonresidents of California add \$372.00 per unit.

Fees Are Subject to Change

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

Non-Residents of California Fee

Pay the amount in the table above plus \$372 per unit. For information on residency rules and regulations, visit sjsu.edu/registrar/students/Residency

Graduate Business Professional Fee

For students in the on-campus MBA program and the MS in Accountancy program, the program-related class fees are **\$254 per unit** in addition to basic registration fees and non-California resident fees (if applicable). For more information, visit sjsu.edu/lucasschool/graduatefees

Parking Fee

Parking permits are available for students. A daily one-semester parking permit is estimated at \$192.00.

Bookstore Charges

Registered students can charge books and supplies to their SJSU student account. For more details visit sjsu.edu/bursar/services

Installment Payments

For payment plan options visit sjsu.edu/bursar/payment_refunds/installments/index.html

There is an enrollment fee to participate.

Direct Deposit (Refunds)

With Direct Deposit, you receive your refund several days earlier than a paper check.

To enroll, login to MySJSU, scroll to Finances, and select Enroll in Direct Deposit.

University Housing Services (UHS)

University Housing Services (UHS) strives to create a residential community that supports and enhances academic success, fosters the learning and development of our students, and promotes student involvement and civic engagement. Campus housing is available to SJSU graduate students.

Campus Village Building A (CVA) is an on-campus housing facility for SJSU graduate students, as well as faculty, staff, seniors, and juniors. It is located in the heart of Campus Village, a vibrant, student centered community in an urban setting. Campus Village is host to a myriad of programs and activities for the residents. Occasionally, outdoor activities in the Campus Village Plaza attended by large groups of residents, guests and community members result in higher levels of noise during certain times of the year.

Campus Village Building B (CVB) includes the Recreation Activities Center (RAC) and the Village Market. It is the centerpiece of Campus Village and features a 15-story tower. It has studios, three, four, and five-bedroom single apartments, and three-bedroom double apartments, all equipped with a kitchen, and living room area.

International House

The International House is a co-ed residence for 70 U.S. and international students attending San José State. SJSU I-House is located nearby campus and is a large comfortable home featuring friendly interaction among students of many cultures. Residents represent approximately 25 countries. In general, residents range in age from 17 to 35 years of age, study in a wide variety of programs offered on the SJSU campus, and enroll in graduate, undergraduate, and English language programs. As much as possible, roommates are matched according to compatible interests and personal habits. After the first semester at the International House, residents have the opportunity to choose a roommate and designate a preferred room.

I-House offers a one-semester contract and stays open year-round with per diem rates during summer and winter breaks. All furniture, utilities, TV, internet access and computer equipment, as well as use of a fully equipped kitchen, are included. Students interested in living in the I-House must send a separate application directly to the I-House. There is no application fee. Applications are available at sjsu.edu/ihouse

Disability Accommodations

If you have specific accommodation needs please contact University Housing Services at 408-795-5600 or UHS-frontdesk@sjsu.edu

Contacts

For a complete campus directory of faculty, staff and departments, visit sjsu.edu/directory

Accessibility

All San José State classes are wheelchair accessible. If you have other needs regarding accommodations, please contact the Accessible Education Center (Formerly Disability Resource Center).

Accessible Education Center (AEC)

The Accessible Education Center provides academically related services for students with disabilities. To qualify, students must register and create a confidential file with the AEC to receive a wide spectrum of services based on their own individual needs.

Services include, but are not limited to: Consideration for priority registration, note takers, readers, sign language interpreters/captioners, test accommodations, academic counseling, general education advising and hands-on training with adaptive technology. Students should provide the AEC with disability verification as soon as possible after applying to SJSU. It is important to make an appointment with the center at 408-924-6000 for review of specific needs prior to registering for classes.

Immunization

As a new student, you will need to provide proof of Measles and Hepatitis B immunization prior to enrollment. If you don't have documentation, go to the SJSU Health Center to get your shots and proof of immunizations. Bring the forms to window "R" in the Student Services Center or fax them to 408-924-2077.

Student Code of Conduct

Members of the SJSU community are expected to demonstrate academic integrity, accountability for one's actions, respect for oneself and one's community, and personal development. It is, therefore, important that students familiarize themselves with the Student Code of Conduct and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog, schedule of classes, and online at sjsu.edu/studentconduct/policies/index.html

Student Responsibilities and Rights

As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution (S90-5). Students are encouraged to consult the Student Responsibilities and Rights section of the SJSU Catalog to ensure an understanding of the resources, requirements, and programs designed to support students' academic and personal growth, as well as review important university policies and procedures every student at SJSU is responsible for knowing and upholding. That information can be found at <http://info.sjsu.edu/static/catalog/policies.html>

Non-Discrimination Policy

San José State University does not discriminate on the basis of accent, age, ancestry, citizenship status, color, creed, disability, ethnicity, gender, marital status, medical condition, national origin, race, religion or lack thereof, sex, sexual orientation, transgender, genetics or veteran's status. This policy applies to all SJSU students, faculty and staff programs and activities. Questions regarding this policy should be directed to the director of the Office for Equal Opportunity, 408-924-2250. Learn more at sjsu.edu/hr/about_us/hr_directory/eo_unit/title_ix/
