

Terms and Conditions of Transfer Admission | Fall 2015

Provisional Admission

This offer of provisional admission is based on the academic information you reported on your CSUMentor application. All of your academic information must be verified before you will be allowed to enroll and register for classes at SJSU. Your admission will remain “provisional” until your official final transcript(s) passes verification. This offer of provisional admission to the academic plan (major) listed on your admission letter is only valid for this term and may not be deferred to another semester. In addition, it is not possible to change your major prior to enrollment at SJSU.

Returning SJSU Students: All returning SJSU students must comply with all deadlines and admission requirements included in this document.

Mandatory Steps to Enrollment

You must meet all deadlines and conditions of your admission. Failure to do so will result in your admission being withdrawn, even if you have received financial aid, signed up for housing, attended orientation, or registered for classes.

To satisfy the provisions of your admission and become a fully admitted student, you need to complete all of the mandatory steps in this document.

See the *Steps to Enrollment* brochure included in your admission packet for more details regarding the Intent to Enroll process.

Send your official, final transcript(s), including grades for the Spring 2015 term, postmarked no later than Wednesday, July 15, 2015

You must submit an official final transcript(s) including grades for the Spring 2015 term, postmarked no later than Wednesday, July 15, 2015. This transcript must include your Spring 2015 term grades and you may not use Summer 2015 courses to meet upper division admission requirements.

Meet the CSU minimum requirements for upper division transfer

An internal review (verification) of your application will be conducted. Your official, final transcript(s) must show that you meet the current impactation criteria and transfer admission requirements in order to pass verification.

To ensure that your provisional admission passes verification, make sure your official, final transcript(s) meets the following criteria:

- Your transcript(s) must verify that everything you reported on your CSUMentor application is accurate and complete.
- You must have an overall GPA of 2.0 or higher.
- You must be in good standing at the last college or university attended.
- You must meet the four basic skills course requirements by the conclusion of the Spring 2015 term. If you receive a “C-” or lower in any of the required four basic skills courses you must make-up the course by the end of the Spring 2015 term. A grade of “C-” or lower in any of the four basic skills courses does not fulfill admission requirements at SJSU.
- You must complete at least 60 transferable semester (90 quarter) units by the end of the Spring 2015 term.

Be advised: If you have any of the required courses “in progress” at or near the time of registration for classes for your term of admission, it could cause a delay in your registration until all final transcripts are received and verified. This could limit class availability once you are eligible to register. This is particularly applicable to students who have required coursework in progress during Spring 2015 since SJSU fall course registration begins in June.

Send official test scores needed to fulfill admission requirements

If you have taken AP exams to satisfy any of the four basic skills course requirements, contact College Board immediately and request that your official scores be sent to SJSU.

Monitor your MySJSU account to avoid the cancellation of your admission

You must meet all deadlines. Failure to meet all deadlines will result in your admission being withdrawn. You can avoid your admission being withdrawn by carefully and frequently monitoring your MySJSU account (<http://my.sjsu.edu>) throughout the entire admission process.
