

EOP Career Readiness Experiences

Below are some career events, activities, and resources to help you explore your options, build experience before you graduate, or launch your career. For additional help, schedule a career counseling appointment on [Spartan Connect](#).

Explore Majors & Careers

- Take [Focus2](#) online self-assessments and complete the [Major or Occupation Exploration worksheet](#) (pg. 6 or 9)
- Attend an event:
 - [Exploring Majors Webinar](#)
 - [Exploring Careers in the Social Sciences](#)
 - [Careers in the Humanities & Arts](#)
 - [Careers in Tech for Non-Tech Majors](#)
 - [Explore Careers at the City of San Jose](#)

Build Skills & Experience

- Identify the in-demand skills in your field by completing the [Skills Analysis worksheet](#) (pg. 3)
- Create or refine your resume on [VMock](#) and make improvements
- Attend a [job / internship fair](#) of interest

Launch Your Career

- Create or update your [LinkedIn](#) profile by using this [worksheet](#)
- Apply to internships or jobs in [Handshake](#)
- Practice interviewing with the [Big Interview](#) online platform
