EOP REQUIREMENTS AND PROBATION:

EOP requirements support students' holistically by connecting them with SJSU Campus Resources and EOP Services. Thus, creating an SJSU community and sense of belonging by having EOP students be involved in their education; and developing the skills necessary to successfully achieve their personal, professional, and academic goals.

Students not completing program requirements may be placed on EOP Probation for the following semester. In addition, students who do not meet EOP program requirements for a consecutive semester may be removed from the EOP program, which may result in a loss of EOP services and the EOP grant. (Students removed from the program are unable to reenter).
