EOP REQUIREMENTS AND PROBATION:

EOP requirements are meant to support students' personal and academic growth by connecting them with SJSU Campus Resources and EOP Services. Thus, creating an SJSU community and sense of belonging; while also having EOP students be involved in their education by developing the skills necessary to successfully achieve their personal, professional, and academic goals.

Students who do not complete program requirements may be placed on EOP Probation for the Fall 2023 semester. Students who do not meet EOP program requirements for consecutive semesters can be removed from EOP, which may result in a loss of EOP services, the EOP grant, and will not be able to reenter to the program.
