

SAN JOSE STATE UNIVERSITY  
NUTRITION, FOOD SCIENCE, & PACKAGING  
**MINOR IN PACKAGING**

**The Minor in Packaging is offered by  
the Department of Nutrition, Food Science  
and Packaging.**

**Students wanting to broaden their  
understanding of the packaging industry should  
consider this minor.**

- The packaging program complements the disciplines of engineering, design, graphic design, project management, advertising, and material science.
- The Packaging minor is a flexible bundle of courses designed by the student to complement their chosen major area of study.
