## HS1 Peer Reviews

Instructions: Do NOT share your review with anyone except Dr. G. (Your review is "blind" and confidential.) *Provide your opinion in the table by checking the appropriate box (It is OK to put a check on the line to indicate a borderline opinion.) For the open-ended comment, be brief, clear and specific. Write in a way that draws attention to substance and not to your opinion. Avoid vague personal statements along the lines of "I really liked this presentation." Address a specific.*
