

# Feedback Form #1

The goal of the course is to lead you to higher levels of thinking and teach you skills and new ways of thinking. The task is daunting, intellectually challenging, time-consuming, and requires constant communication between teacher and student. This form is intended to provide me with you feedback about specific matters that will help me in achieving these goals.

Course: \_\_\_\_\_

Today's date: \_\_\_\_ / \_\_\_\_ / \_\_\_\_

1. About how many hours per week on average did you devote to HW, including reading?  
(Circle best response.)

1 hour                  2 hours                  3-4 hours                  4-5 hours                  6+ hours
