

Fourth Unit Project (XX out of 100 points)

Concept Mastery: Demonstrate your mastery of one Modernity Concept beyond time and place of our class. [25%]

1-14	15-23	24-25
Insufficient: Mastery of Modernity Concept is difficult to discern.	Acceptable: Modernity Concept is articulated and connected to classroom coverage.	Professional: Modernity Concept is thoughtfully engaged, surpassing classroom coverage.

Augmented Reading: Employ book-length scholarly course-related reading outside of our assigned articles and excerpts. [25%]

1-14	15-23	24-25
Insufficient: Additional reading is lacking or unrelated to course concepts.	Acceptable: Additional reading is present and suitably related to course concepts.	Professional: Additional reading is substantially and meaningfully related to course concepts.

Multimedia Content: Include multimedia that demonstrates thoughtful engagement with course concepts. [25%]

1-14	15-23	24-25
Insufficient: Multimedia content underdeveloped or overly generic in its connection to course concepts and/or your selected additional reading.	Acceptable: Multimedia content is reasonably well conceived and generally effective in connecting to course concepts and your selected additional reading.	Professional: Multimedia content showcases your creative and thoughtful engagement with course concepts and your selected additional reading.

Presentation: All elements of your project are carefully and correctly presented. [25%]

1-14	15-23	24-25
Insufficient: Project includes an excessive amount of form and/or content errors.	Acceptable: Project is reasonably well constructed, needing little refinement.	Professional: Project is largely error-free – excellent in terms of content and form.
