

Thank you for submitting your documents. Shortly, you will be able to see them in a “received” status on your MySJSU account. Once we review and approve your submitted documents, we will remove them from your To Do list.

Note:

Dependent Verification Worksheet requires your parents signature to be considered complete. You may either mail, drop off or email the signature page with the student and parent signatures.

Independent verification Worksheet requires your signature to be considered complete. Check your email address for an email from DocuSign in order to sign the worksheet.

When will awards become available:

- It will take 4-8 weeks for an award to become available after submitting all documents.
- First time students will begin receiving award in early April
- Continuing students will begin receiving awards in early July
