DOCUMENTS RECEIVED STATUS

Thank you for submitting your documents. Shortly, you will be able to see them in a "received" status on your MySJSU account. Once we review and approve your submitted documents, we will remove them from your To- Do List.

Your file will stay incomplete until you submit a signed document. This must be signed by both you and at least one of your parents. Once it is signed you can either mail it to our office or drop it off at our office.
