START A NEW STUDENT ORGANIZATION

Can't find a group that fits your interests? It's easy to start a new organization at SJSU! To become a student organization, all groups must go through the New Org Recognition process to be officially Recognized at San José State University and be able to take advantage of University resources and facilities. Students interested in starting a new organization must complete a New Org Recognition application, and the President and Treasurer of the new organization must complete an online training before being Recognized.

FRATERNITY & SORORITY LIFE

Fraternity & Sorority Life, also known as Greek Life, is a community of men's and women's organizations that support personal growth and development. Many of these fraternal organizations use Greek letters, hence the term Greek Life. These organizations are rooted in values of siblinghood, scholarship, philanthropy, friendship, and leadership, and SJSU is home to over 40+ social fraternities and sororities.

Social fraternities and sororities at SJSU are part of a community of 40+ general and culturally-based organizations, representing 4 governing councils. The community invites you to explore the different organizations for a unique experience to grow as a Spartan!

To learn more about recruitment and intake, visit our [website](#). All interested students must meet eligibility expectations in order to receive an invitation or bid. Complete the [Fraternity & Sorority Life: Interest & Eligibility Form](#).

Want to build your leadership skills? Check out our [website](#) for more information on what our leadership team can offer you.
