GREEK LIFE & LEADERSHIP!

Each Spring, Student Involvement hosts an educational speaker for all members of fraternities and sororities to attend. This year, **Dr. Gentry McCreary**, CEO and Managing Partner of Dyad Strategies was selected to be the keynote speaker. Gentry's work experience has been in fraternity and sorority advising and student conduct. His award-winning research examines the psychology of hazing, the moral development of college students, and the roots of fraternal brotherhood and sisterhood.

On Wednesday, February 12, 2020, Gentry presented his Building Better New

Member Programs workshop to Greek presidents and new member educators/deans and his [Five Great Hazing Myths](#) workshop to the general fraternity and sorority member community.

At SJSU, it is everyone's responsibility to keep our community safe and hazing-free. Below are some hazing reporting resources:

One of the many benefits of joining a Greek organization at SJSU is the unique leadership opportunities that are available on and off campus. Earlier this semester, Student Involvement sponsored nine Greek leaders from 8 different organizations to attend the Association of Fraternal Leadership and Values (AFLV) Central Conference in Indianapolis, Indiana from January 30–February 2, 2020. At the conference, our SJSU delegation went to workshops covering a variety of topics:

- Your Why Matters Now - Purpose and Passion Inspire Greek Life
- Be the Dream Maker
- Creating the Ecosystem: A Framework for Advising Culturally-Based Organizations
- Proven Ways to Keep Your Chapter Open or to Get it Closed
- Being Fearless and Greek - Conquering Fears to Step Up and Lead
- Revitalizing your ByLaws
- Recruit Them, Keep Them
- How To Address Your Chapter/Council's Persisting Problems
- Marketing 101
- You Can't Have It All: How to Have "Balance" in College
- Better Friends, Sisters, Women
- Understanding MGC→ Multicultural Greeks

- Proven Ways to Keep Your Chapter Open; Or Closed
- High Level Performance & Engagement: Creating a “Yes, And” Culture on Your Team
- Drop the Drama
- MGC (Multicultural Greek Council) Recruiting Right
- Visibility & Marketing: Telling the Stories of CBFOs (Culturally-Based Fraternal Organizations)
- Vibe Check: University Presidents Edition
- Piazza + Gruver Families: The Work to End Hazing Continues: One Year Later

Attendees went back to campus and shared what they learned with our larger community at this semester's first Friday InterGreek Council (IGC) meeting on Monday, February 17, 2020:

This year's SJSU students represented the Greek community well in Indiana. We can't wait to see how they will continue to apply what they've learned to make a difference in their individual chapters and the overall SJSU community!

The out-of-the-classroom experience is a vital part in a student's development and we assure you that leadership isn't always about holding a position nor do you have to be on the upper level of some group to be able to practice your leadership skills.
