This sanction stipulates that Pi Kappa Alpha will not be permitted to register and/or function as a student organization during the aforementioned time period. Evidence suggesting the active functioning of the organization, or anyone acting on behalf of or representing the organization, during the period of University suspension may result in further review of the organization's status with the University. Violation of terms of Organization Suspension may thus result in additional university-imposed sanctions that may include, but not be limited to, extended suspension and/or permanent withdrawal of recognition. Furthermore, the National Organization may engage in a conversation about the ability of the campus to support re-recognition during Fall 2026 in preparation for Fall 2027. The Organization will need to follow all expansion processes in the Inter-Fraternity Council bylaws in addition to receiving campus approval from the Vice President for Student Affairs.
