## **Pi Kappa Phi Fraternity**

### **Case Creation Date:**

- October 22, 2024

### **Incident Summary:**

- *During a Friday party at the Pi Kappa Phi residence, several non-SJSU individuals attempted to enter the event by sneaking in through an unsecured back gate. When confronted and removed by fraternity members, tensions escalated among some brothers before they were directed inside to de-escalate the situation. During this period, the Social Chair reported being robbed by one of the unaffiliated individuals. A separate individual who had initially been turned away later returned and appeared to have a firearm concealed in his jacket, prompting fraternity members to direct all attendees inside for safety. The presence of a weapon could not be clearly confirmed.*

### **END AT REPORT**

*Allegations do not violate a Student Organization Code of Conduct policy.*
