VTA's Next Network plan will go into effect on December 28th, 2019. There will be improvements, new lines, but also cuts in the system. Students who use BART and 181 will not be affected. Be sure to update your primary email on your One.sjsu account to receive notification as to how this may impact you. We strongly encourage you to attend VTA's public meetings and get involved so you can make your voice heard. Get the latest from Transportation Solutions, Student Assistant, Monica Mallon on upcoming [VTA changes](#) that will directly impact SJSU. For more information about the plan visit VTA's [website](#).

Fall Commute Survey Winners

Transportation Solutions would like to thank the 4,000+ Spartans that participated in this year's annual fall commute survey. Your feedback is valuable and helps us improve our transportation programs and services. We have over 15,000 sustainable Spartans on-campus who use an alternative transportation mode to get to campus! This includes bus, light rail, train, biking, walking, scooter, and skateboard. Check out some of this year's lucky winners!

Spartans Lead

The out-of-the-classroom experience is a vital part in a student's development and we assure you that leadership isn't always about holding a position nor do you have to be on the upper level of some group to be able to practice your leadership skills. Want to build your leadership skills? Check out our [website](#) for more information on what our leadership team can offer you.
