

## **ACTION PLAN FROM PROGRAM REVIEW AND PLANNING**

San José State University  
College of Humanities and Arts  
**Department of Philosophy**  
**May 10, 2016**

1. Revitalize the Legal Studies Minor in collaboration with the Justice Studies Department. Consider revising the curriculum to make it more attractive. Develop a plan for advertising and promoting the minor across campus.
2. Develop a strategic plan to increase the number of undergraduate and graduate degree majors in the department to be more in alignment with college and university norms by the next program planning cycle. Consider the following:
  - o Consult with Student Academic Success Services for strategies and support in recruiting students that are already on campus, such as undeclared students
  - o Develop a connection with college advising centers and the Philosophy Department to share materials to attract more students.
3. Provide an updated assessment plan for the 5-year period from fall 2016-spring 2021. Please turn this in to the Director of Assessment no later than December 1, 2016.
4. Next program review due fall 2021.
