

HonorsX Summer 2023-2024: “Who are we 2030? Envisioning Sustainable Societies”

July 17 - August 4, 2023

Summer at a Glance: This summer we will expand our definition of sustainability and approaches to achieving it.

What will you do?

- Walking tour through past & present of Guadalupe River Trail through different gazes of sustainability
- Meet innovators and influencers in sustainability
- Create a San Jose Sustainability Travel Guide

Week 1:

- Stay in SJSU dorms for 4 nights; meals included
- Tour of Guadalupe River Trail Past, Present and Future: Use different gazes of sustainability to envision a sustainable San Jose
- Writer’s Room: Writing online and in print, from team brainstorming to pitch and publication
- Public Engagement: best practices for amplifying messages through social media

Week 2:

- Class held on-campus
- TikTok/Reels Videos
- Interviews with local people could be put into the travel guide
- Scripting the San Jose Sustainability Travel Guide

Week 3:

- Class held online
- Workshops learning the Adobe platform
- Debrief & Reflect
