

## Campus Village Parking Permit Request Form

By signing this agreement, I agree to accept this parking permit and must submit payment to University Housing Services. Information regarding this request will be sent via MySJSU or email.

Upon assignment of a parking permit, resident accounts will be billed and all payments will be due on the same dates as other housing charges (rent and board). If the permit is issued after the payment due date(s) noted below, then payment is due approximately two weeks after issuance. The summer payment is due **May 18, 2020**. Faculty and Staff residents will remit payments monthly and will be due on the 1st business day of the month. Please refer to the "Parking" section located in the Annual Housing License Agreement for additional information.

Permits are issued upon check in. Residents who are not current with all housing payments will not be issued a permit. Residents who become delinquent will have Campus Village parking garage access denied and their permit may be revoked. No refunds will be issued for denial of access.

Residents who are assigned a Campus Village parking permit, yet fail to pick up their permit within 30 days of being issued, will have their parking permit automatically cancelled and no refunds will be issued.

**Automobile Insurance.** Licensee agrees to accept financial responsibility for any loss or damage to personal property or personal vehicle belonging to Licensee and their guests and invitees that may be parked in the Campus Village parking garage, caused by theft, fire, vandalism or any other cause. University Housing Services assumes no liability for any such loss. It is suggested that Licensee obtain and maintain throughout the term of the license a policy of automobile insurance from a recognized insurance firm, covering Licensee's liability and personal property damage (if Licensee utilizes the Campus Village parking garage.)
