

In order to keep our community a safe and inclusive space, residents are asked to follow the policies and regulations that were agreed to when signing their licensing agreement. When a staff member observes or is made aware of what they believe is a violation of UHS Community Standards, they will complete an Incident Report (IR) describing the behavior observed. Residence hall/apartment staff will identify themselves, communicate what behavior has been observed that may be a policy violation, ensure that the behavior has ceased, and request identification from all present. If you find yourself in such a position, you should remember two things:

- 1. Don't panic. The conduct system is an educational process and is very protective of your rights.
- 2. Always cooperate. Produce your Tower Card or state ID immediately upon request.

When an IR is written, it will include the details of what the writer observed while the incident is being confronted. A UHS Conduct Officer then reviews the IR and acts upon it, if deemed appropriate. If you are called to a meeting, an e-mail will be sent to you. During this meeting you will have the opportunity to share your side of the situation and present any evidence you feel is appropriate. As such, it is important that you are checking your preferred and SJSU e-mail on a regular basis. Failure to attend a conduct meeting will result in a decision being made in your absence.

Important Policies to Keep in Mind:

Please do your part to keep everyone safe. All students should follow the mask and social distance guidelines. Though no guests are allowed in the residence halls, you are welcome to meet someone outside in the quad or in other green spaces. Alcohol should only be used by those who are at least 21 years of age and are using it safely. Residents under the age of 21 should not be in the presence of anyone consuming alcohol or consume alcohol themselves. In order to ensure a positive community, all tobacco, vaping and cannabis use should occur off campus and used in line with CA state law.

Thank you for your understanding and cooperation with the UHS staff. Please use the QR code for more information about UHS policies.
